

Will Verify Statement

Mr. Philip Gelber, 545 Bushwick Ave., Brooklyn, N. Y., will verify to anyone interested his endorsement of Fruitola and Traxo. In writing to the Finus laboratories Mr. Gelber says: "I suffered with gall-stones seven years—tried various remedies without satisfactory result—was induced to try Fruitola and Traxo. Glad to say I am now feeling better than at any time for years and heartily recommend Fruitola and Traxo."

Visitor (desirous of pleasing)—I think your little boy is a perfect angel, don't you? Father (gloomily)—No! but—er—I have hopes.

"Why did she leave her husband?" "He lost all his money." "How?" "She spent it."—Boston Transcript.

AT THE BIJOU THEATRE EVERY WEDNESDAY.

Suit Yourself--

We are going to build a neat home on a nice farm five miles from town. The land is fine; wood and water on it, about thirty acres in it. See us QUICK and let us build just the house you want.

Anderson Real Estate & Investment Co. E. E. Horton, Pres. L. S. Horton, V. Pres. W. F. Marshall, Secy.

We are recommending our 10-1-0 and 10-2-0 and 10-2-1/2-0 for wheat and oats this fall when you sow it.

This will give it stalk and grains in the head, and that it what you want in grain. If you will sow five acres in wheat and five in oats this fall, after preparing the land well and fertilizing it well with either of these goods, you will find it advantageous. The 10-2-1/2-0 is an especially fine goods for grain. Let us hear from you.

Anderson Phosphate & Oil Co. Anderson, South Carolina.

GINNING REPORT FOR S. C. SHOWS DECREASE

ANDERSON COUNTY THREE THOUSAND LESS THAN LAST YEAR

ORANGEBURG LEADS

This County Ranks Third in Report Dated October 18—Report By Counties.

Anderson county ranks third in the list of counties for the ginning report of 1915 dated Oct. 18th. Cotton ginned prior to that date is 582,091 bales, as against 693,444 at the same time last year.

Anderson county is a fair average. She ranks third on the list, with Orangeburg leading. Anderson's crop is something like 3,000 bales short of the crop at the same time last year. Following is the report by counties for the state:

Table with 3 columns: County, 1915, 1914. Lists counties from Abbeville to York with corresponding ginning statistics.

DEATHS

Mary Caudle. Mary Agnes Caudle, the 4 year old daughter of Mr. H. Allen Caudle of Anderson died at the home of her parents Saturday afternoon. The funeral was held Sunday afternoon, the interment being made at Silver Brook cemetery.

Alice Crawford. Alice Pearl Crawford, the 2 year old daughter of Mr. and Mrs. T. E. Crawford of G. street died Sunday afternoon. The funeral was held Sunday afternoon at Midway church.

Marshall Smith. Marshall Earle, the 4 months old child of Mr. and Mrs. Furman Smith died at the home of its parents on Market street Sunday afternoon at 4 o'clock. The body was taken to Spartanburg Monday morning for burial.

IF SKIN BREAKS OUT AND ITCHES APPLY SULPHUR

Use it like a cold cream and dry Eczema eruptions right up.

The moment you apply bold sulphur to an itching or broken out skin, the itching stops and healing begins, says a renowned dermatologist. This remarkable sulphur, made into a thick cream effects such prompt relief, even in aggravated Eczema, that it is a never-failing source of amazement to physicians. For many years bold sulphur has occupied a secure position in the treatment of cutaneous eruptions by reason of its cooling, parasitic-destroying properties and nothing has ever been found to take its place in relieving irritable and inflammatory affections of the skin. While not always establishing a permanent cure, yet in every instance, it immediately subdues the itching irritation and heals the sores right up, and in a few days later, before any eruption again manifests itself. Many good druggists will supply an ounce of bold sulphur, which should be applied to the affected parts like the ordinary cold cream. It isn't unpleasant and the prompt relief afforded is very welcome, particularly when the Eczema is accompanied with torturous itching.

DUTCH STOP EXODUS OF METAL WORKERS

The Hague, Oct. 19.—(Associated Press Correspondence.)—The Dutch government has prohibited any further exodus of metal workers to England. Early in the war, large numbers of Dutch workmen in metals went to Germany, attracted by the high wage offered in the munitions factories. More recently, a similar exodus on an even wider scale, had begun toward England. The Dutch government, fearing an actual famine in skilled help for an important trade, has now promulgated a strict prohibition against workmen of this class leaving the country.

The Socialist newspaper Het Volk criticizes the new regulation in a stinging editorial entitled "Is Holland a Prison?" The article draws a contrast between the government's benevolent approval of the enormous war profits being reaped by the trading classes, and its efforts to prevent artisans from improving their condition. The article declares that a number of Dutch workmen who were already on board steamer when the new prohibition was announced, were removed from the vessel by military force.

Son Succeeds Father. Columbia, Oct. 21.—Governor Manning has appointed James S. Betenbaugh as auditor for Union county to succeed J. T. Bedenbaugh, deceased. There were many applicants for the new place. Mr. Bedenbaugh has been serving since his father's death.

English Actor Dead. London, Nov. 1.—Lewis Waller, one of the leading actors of England, has died. He first appeared in 1893. He managed the Haymarket theatre and was formerly lessee of the Imperial. He played in the United States in 1911-12.

AT THE THEATRE "A PAIR OF SIXES"

Attention Called to Splendid Play to Be Seen Here at Early Date. To the Discriminating Playgoers of Anderson.

The management of the Anderson theatre begs to call your special attention to the next big attraction on Tuesday, November 9th, when H. H. Frazes presents "A Pair of Sixes." In order to secure this attraction the management was compelled to guarantee the company a liberal amount of money. Because of the country-wide popularity of this attraction, it is hardly necessary to advise you of its merits, other than to assure you that this attraction played for one solid year at the Longacre theatre, New York City.

It is seldom that we are fortunate enough to offer our patrons an attraction of this calibre, and we earnestly hope that everyone of them will take advantage of this opportunity to see the world's funniest farce comedy. We assure you it is going to be one of the big theatrical events in the history of Anderson. Seats will be on sale at the box office Thursday, November 4. The usual scale of prices will prevail—\$1.50, \$1.00, 75 and 50 cents. Manager Anderson Theatre.

SOUTHERN TEXTILE EXPOSITION OPENS AT GREENVILLE

(CONTINUED FROM PAGE ONE.)

into being. All express their appreciation of the large number of exhibitors and predict that if the attendance upon the exposition is as large and as representative from among the cotton mill people as it is from the machinery houses, that the permanent success of the organization created last night is assured.

That the cotton mill owners and employees will be in attendance is indicated in the number of statements that are current around the exposition building that many of the owners with their superintendents, and overseers will be present at different times during the week, some even remaining over during the whole week. Among those interests that are reported to be largely represented next week are the Fuller Callaway interests of La Grange, Ga., which own a number of mills; the Chadwick-Hoskins at Charlotte and many others.

Another indication of the interest that is manifest in the Greenville show is the number of trade paper representatives that are here and will be here during the next week. Some have booths, while others will be represented by their correspondents and agents. The Manufacturers Record has three rooms on the second floor which will be combined into one reception booth for the visitors and friends generally of the Baltimore publication, The Textile World, Cotton, of Atlanta, and many others which will be mentioned in the reports of the exposition in this paper next week.

Entertainment for the Visitors. Elaborate arrangements have been made for the entertainment of the many visitors who will be in Greenville next week attending the exposition. Two dances, a reception, two football games and other events are planned for their enjoyment. The social feature of the mammoth exposition will be the formal ball which will be held on next Wednesday evening at Cleveland hall. On that occasion the Southern Textile Association will have as its guests the exhibitors and visitors at large in the city.

MILITARY COMPANY TO HAVE NEW ARMORY

DEAL CLOSED FOR HALL OVER CHAMBER OF COMMERCE OFFICERS

IDEAL QUARTERS

Partitions Rearranged to Give Maximum Floor Space for Company's Drills.

The deal has been closed for the new armory over the chamber of commerce building and preparations are being made for an early occupancy by the militia. The quarters are ideal for the armory and each and every member of the company is delighted with the new arrangement of things.

The large hall, which formerly had a partition running down the middle has been changed to one large room. This room measures about 36 feet by 90 feet and is ideal for drilling purposes. In this space, all of the manual of arms can be executed with ease, and the members of the company will have plenty of room for any sort of entertainment they desire to hold here.

Two other partitions have been built. These form three rooms, two rooms for property or supplies and an officer's room. This makes the armory a safe place where the equipment can be kept without fear of being molested. The men's lockers are arranged around the walls in the big drill hall.

SEVERE EARTHQUAKE SHOCKS WERE RECORDED

Washington, Nov. 1.—A series of severe earthquakes, lasting about three hours, were recorded by the Georgetown university seismograph early today. The first shock came at 2:49, the main shock at 3:24, the final at 5:21. The estimated distance is four thousand miles away.

London, Nov. 1.—The seismographical observatory of Scotland recorded at 7 this morning a heavy earthquake in or near Japan.

SPECIAL Announcement

Mrs. Montgomery

Special representative from The Pictorial Review Company of New York will be at our pattern department Wednesday, November 3rd.

This is an excellent opportunity to learn more about these most popular patterns.

Mrs. Montgomery will be pleased to explain why Pictorial Review Patterns are more chic, more graceful and more economical than any other patterns.

Mrs. Montgomery will explain how you can save time, labor and material by using the cutting and construction guides furnished with Pictorial Review Patterns and will be able to give suggestions of extraordinary value to the woman who makes her own clothes.

Moore - Wilson Company

Niloak From the Ozarks

We have secured the exclusive agency for the celebrated Niloak Pottery. It is a new pottery, made from the plain clay, without any artificial coloring. No two pieces are the same design, nor have exactly the same coloring. Niloak pottery is made by hand from natural color clays found in the foot-hills of the Ozark Mountains of Arkansas. Its color seen in any other pottery, either natural or artificial is as beautiful in tone or decorative value as the beautiful colors seen in Niloak.
