PROGRESS OF WORK ON STREET PAVING

EXCELLENT TIME IS BEING MADE WITH THE IMPROVEMENTS

FEW GAPS LEFT

Will Be Completed Pretty Close to Contract Time it Now Seems.

Gradually the gaps in the paving are being filled and soon many streets will be covered with the paving. When this is finished, traffic in many parts of the city will be much better. Just at this time there are many streets being paved, some almost done, others just started and some finished completely.

Just what has been done represents a large part of all the work contracted in the original plans. West Market street, the first to be paved, is finished, connected with Main street, which is complete except for a short gap between Church street and River street on the east side. McDuffie, Calhoun, Church and parts of Whitner and River streets are open to traffic. This leaves only North Main, Greenville, East Barle, East Market and part of Whitner streets to be completed.

On Whitner street there is one gap in the paving, from the C. & W. C. railroad crossing to F. street. From F. street to Monroe street the paving has been finished and is open to traffic. The remaining gap will be filled in within the next few weeks.

Generally, the work has progressed well. With several weeks of good weather, the work will be finished some time near the time allotted in the contract. When the delays that have been caused by material not arriving on time and rains and other setbacks are considered, it is seen that besides giving Anderson the best possible job for the money the Southern Paving company has made excellent time.

MRS. LYDIA VANWYCK HOKE Dies at Her Home in Raleigh—Has Relatives Here.

Relatives in Anderson have been notified of the death of Mrs. Lydia Anne Maverick VanWyck Hoke, which occurred in Raleigh, N. C., November 2.

She was the wife of the late Gen. Robert F. Hoke of North Carolina and daughter of the late Wm. VanWyck and Lydia Anne Maverick of New York. As Lydia VanWyck, she was known as an accomplished young woman, a beauty and a belle.

Shortly after the war between the states she was married to General Hoke, one of North Carolina's best loved and most distinguished citizens, who predeceased her three years ago. Four children of this union survive, they are: Mr. VanWyck Hoke of Raleigh; Dr. Michael Hoke of Atlanta; Mrs. Lily Hoke Webb of Raleigh; and Mrs. Frances Burton Hoke Pollock of Kingston, N. C.

Mrs. Hoke is survived by two brothers, Judge Augustus VanWyck of New York and Judge Robert A. VanWyck of Milan, Italy. The Mrs. Margaret VanWyck of this city is a sister-in-law of Mrs. Hoke, having married her eldest brother, Dr. Samuel M. VanWyck. Mrs. Hoke was also the aunt of Mr. Samuel M. VanWyck of Atlanta and Mr. C. R. VanWyck of Anderson.

AT THE THEATRES

"A PAIR OF SIXES" Something New in Farces to Be Seen at The Anderson Tuesday.

The Anderson offers for one performance, November 5, H. H. Frazee's international comedy hit, "A Pair of Sixes." This unusual and novel comedy, which ran for nearly a year on Broadway at the Longacre theatre, was acknowledged by New York city critics to be something new in farce, and although those wise gentlemen of the press do not make funniles in hyperbole, the consensus of their opinion seemed to be that not since the days of the lamented Chas. H. Hoyt had anything so agreeable in the way of farce been offered the Metro-politan show goer. The tremendous success which has greeted the comedy wherever it has appeared has proven them exactly right in their opinion. The story is unusual and full of satire and humor of the highest class and the logical plot is sufficiently surprising in the climaxes of the situations involved to command the eager and undivided attention of the audience throughout the action of the piece. "A Pair of Sixes" sets forth the troubles of two partners in the pill business whose interests are so intermingled that they are absolutely unable to get along as enemies. Finally so heated do their daily altercations become that they call in their lawyer to settle their accounts. He finds this to be an impossible task, as neither of the partners will sell his interest to the other. He finally hits on an idea which he induces the better partner to accept and so royal does it prove that it not only furnishes more laughs than comedy generally affords, but provides the same for the piece as well.

"We must be able to pay rich uncle, he may leave us some money. He says that he wants for a slice of business." "That's all right," responded the young wife. "Our father-in-law is a Louisville Courier-Journal."

K. OF P. CONVENTION PLANS IN MAKING

CHIUOLA LODGE WILL ENTERTAIN DISTRICT MEETING ON 16TH

DELEGATES NAMED

Counties of Anderson, Greenwood, Abbeville, Oconee and Pickens Represented.

Chiuola Lodge No. 32, K. of P., met last night and made arrangements for the district convention to be held in Anderson November 16th. The meeting was a good one and most all of the members were present.

Delegates for the district convention have been appointed. Mr. G. E. Greene, of the lodge, stated to a representative of this paper that the delegates named are: A. H. Dagnall, W. P. Sloan, G. H. Gelger, Hunter Thompson and Frank Burriss. These are delegates from Chiuola Lodge.

The district to meet in Anderson comprises Anderson, Greenwood, Abbeville, Oconee and Pickens. It is one of the big districts of the state lodge and the attendance at the convention is expected to be large.

The committee on arrangements will be continued and will have charge of arranging a banquet for the visitors. This committee consists of Messrs John T. Madden, A. A. Cathcart, Frank Burriss, Hunter Thompson and Fred H. Williford.

Three Anderson men will be initiated into the second rank work. These gentlemen are: Messrs. John Owens, Rufus Fant, Jr., and C. W. McGee. A special dispensation from the Grand Keeper of Records and Seals was secured and they were given the first degree last night, in order that they might be ready for the second degree at the time of the convention.

Addresses will be made at the convention by several prominent Knights of the state. Among these are: Messrs. Herbert E. Giles of Alken, grand master of the state lodge, and Grand Keeper of Records and Seals, D. C. Brown of Abbeville. These are two of the highest of Knights of the state.

The committee on arrangements have not yet made their plans as to where the banquet will be held. A full and complete program is being arranged and will soon be published.

SOCIETY

Sacred Musicals

Instead of the usual evening services at St. John's Methodist church on Sunday evening, there will be a sacred musical, by some of the finest local talent. Among those who have promised to help with the program are: Mrs. H. H. Harris, Mrs. T. L. Cely, Messrs Sam Orr, Tribble, Rex Rice, H. B. Fitzgerald, and J. D. Raab. A beautiful program has been arranged, and the public is cordially invited.

Music for the Kirmess

A splendid orchestra composed of Webb von Hasselt, on the violin, Henry Edwards on the viola, Whit McCaulay, the cello, Sloan Driscoll, the drum, Luther Smith, piano and Joe Trowbridge the flute, will furnish the music at the Kirmess this evening, and this of itself will be a rare treat. Six better musicians could not be found in the state, each one being an artist of ability and skill.

The children have been beautifully trained, and the Kirmess promises to be the most brilliant event ever put on in Anderson. With beautiful music, elaborate costumes, and brilliant lights it will be a most dazzling spectacle.

Capt. C. Walter Fant, of Clovis, New Mexico, who is conductor on the Santa Fe railway, is the guest of his cousin, Mrs. James L. Jones, on Fant street.

The wives of members of the local Elks Lodge are requested to meet at the Elks Home this afternoon at 2:30 o'clock.

LEVEL LAND

Cotton picking is the order of the day while pretty weather holds out. The county road hands are coming near us with their work and they have done some nice work on the roads to Honea Path.

The Calhoun place, now occupied by P. C. Temple, was sold Monday at Abbeville. The price realized two hundred sixty-four dollars, more or less, and was bought for less than \$5,000. E. B. A. Callahan of Pickens sold it was the buyer.

Some one took about four hundred pounds of seed from J. K. Temple's gin recently.

Messrs. J. B. and P. C. Temple were in Anderson Thursday selling cotton.

Our school opened Monday with a small attendance. Miss Beattie Carville is the teacher.

Mr. and Mrs. E. C. Young were called to Honea Path Friday by the death of a relative.

The Elks class will meet at Little River last Sunday morning.
