YOUNG LADY HURT IN AUTO-BUGGY COLLISION

Miss Birdie Kay Suffers Painful Injuries—No One to Blame.

Miss Birdie Kay was painfully injured Monday evening about 7:30 o'clock when the buggy in which she was riding, accompanied by a young man whose name is unknown, was struck by an automobile driven by Mr. Pat Major. Mr. Major was going home and was rounding a curve in the road just this side of Cox's creek. He saw the buggy coming up the hill, but as it was on the right side of the road, he paid it very little attention, until the horse became frightened. The buggy was then cut across the road, and though Mr. Major made a desperate effort to avoid the collision, his machine struck the rear wheels of the buggy and overturned it, throwing Miss Kay and her escort out.

Mr. Major stopped immediately and went back to the buggy. He got Miss Kay in his car and took her and the young man to the hospital. The young lady was still unconscious but when her wounds were attended she regained consciousness, though she was still in a dazed condition and unable to talk or understand anything addressed to her.

Miss Kay and the young man had been to the home of relatives of the young lady and were coming back to the city. When the car approached, the horse became frightened and the young man attempted to take the inside of the road, thus driving directly in the middle of the road in front of Mr. Major's car. Mr. Major tried to avoid the collision and was not to blame for the accident. He was driving at a very moderate rate of speed.

As the young lady was not able to talk, and her relatives could not be found by The Intelligencer, the young man's name is still unknown. Miss Kay is an employee of the Lesser Co., it is understood, and is a daughter of Mr. Jeff Kay of this city.

SERIOUS CHARGES AGAINST NEGROES

Said to Have Made Attempt to Burn Dwelling.

Ida Allen was arrested and brought to jail late Saturday evening by Mr. Olin Sanders, deputy sheriff. She was charged with attempting to burn the home of Mr. Joe Acker, who lives several miles south of the city in the Cooley's Bridge section.

A call was sent into the sheriff's office to send a man to the home of Mr. Acker during Saturday and Mr. Sanders went down. On arriving there he found Mr. Acker had a negro woman detained in the house and he charged her with attempting to set his home on fire. He gave the particulars of the affair as follows:

Mrs. Acker wife of Mr. Joe Acker, was sick and was in bed in her room, having only the Allen woman about the place. She told the woman to go and get some wood for the fire and the negro left the room. She went to the wood pile and stayed for several minutes. When she came in she did not bring the stove wood but brought the axe with her. She shut the door and started to the other one, but Mrs. Acker became frightened and jumped out of bed and ran out of the room. She smelled smoke as soon as she opened the door and ran out into the yard. Here she screamed for Mr. Acker and he came on the run. He quickly put out the fire and took matters in hand. He phoned to Anderson for the sheriff, and the negro woman was arrested. Ida Allen refused to tell anything about her intentions or setting fire to the house. She denies any knowledge of the fire, but in view of her very suspicious actions, she was arrested and brought to jail.

The fire under the house could not possibly have been anything but an attempt to burn the home, it is alleged. Kerosene oil had been placed on the sides of the house, it is charged, and the fire was well started when Mr. Acker put it out.

It seems that some trouble had occurred between the woman and Mr. and Mrs. Acker, the nature of which is not known. Mrs. Acker is well known in Anderson.

CARD OF THANKS

I wish to express my sincere thanks and appreciation to the kind people who rendered so many acts of kindness and sympathy during the sickness and death of my beloved wife. I wish to thank especially Mr. Richard Roper for his many favors and kindnesses.

I pray God's richest blessing on each and every one of them.
Respectfully,
John H. Carter.

LARGE BARN BURNED EARLY YESTERDAY

Mr. Barney O'Donnell Suffers Loss By Fire—Was Well Insured.

Mr. Barney O'Donnell suffered the loss by fire of his barn and a large amount of food stuff on Monday morning at 5 o'clock. The origin of the fire is not known, though it is thought that spontaneous combustion may have been the cause. Mr. O'Donnell had a quantity of leaves raked up and placed in the barn to be placed in the stalls during the winter and the fire may have started from this.

The barn was a large one, having six stalls and a carriage house, large enough to accommodate four carriages. The fire starting in one end, did not gain such headway that the stock, could not be saved. The foodstuff in the barn was of considerable value and was burned.

Mr. O'Donnell stated that the barn was built at a cost of about \$600 and that he had it covered by insurance.

MINISTERS HOLD MONTHLY SESSION

Thanksgiving Services Will Be Held Central Presbyterian Church.

A union meeting on Thanksgiving day was planned by the ministers of the city Monday morning when they met for their regular monthly meeting in the parlors of Hotel Chiquola. The meeting was well attended.

Dr. John E. White has been asked to deliver the annual union sermon this year to be held in the Central Presbyterian church and to which all members of other churches are invited.

Dr. White read a very interesting review of a book before the meeting on Monday. The book was the last one of lectures at Yale, entitled, "The Voice From the Clouds." Dr. W. H. Frazer was asked to prepare another review of one of the Yale series of lectures, "The Romance of Preaching."

The next meeting of the union will be held the second Monday in December.

BEAUTIFUL SONG SERVICE

Most Finished and Altogether Musical Program Ever Heard in Anderson.

The special song service at St. John's Methodist church Sunday evening was the most finished and altogether most excellent musical program that has ever been heard in Anderson. Mrs. C. R. MacDonald, the director of music at St. John's had a most beautiful program arranged in which she had the assistance of the best voices of the city. While everyone looked forward to the delightful music the finished program of the evening was a surprise and a delight to the large audience in attendance. Every number on the program was perfectly rendered, especially "Singing in God's Acro" by Mrs. Herbert Harris with flute obbligato by Mr. Sam Orr Tribble and the ladies quartette, "God Is My Guide," Miss Chapman's beautiful and sympathetic accompaniments, showed her ability as an organist.

The numbers as rendered are as follows:
Prelude—Fanfare—Dubois.
Hymn—Day Is Dying in the West.
Prayer.
Still, Still With Thee—Arthur Foote
—Mesdames MacDonald, Harris, Messrs. Rice and Tribble.
Gethesmane—Salter—Mr. Sam Orr Tribble.
Forever With the Lord—Gounod—Mesdames MacDonald, Coby.
Scripture Reading—Ninety-First Psalm.
Offertory—My Faith Looks Up to Thee—Stainer—Mrs. MacDonald, Mr. Tribble.
Singing in God's Acro—Brackett—Mrs. Harris.
God Is My Guide—Shubert—Mesdames MacDonald, Harris, O'Dell, Miss Broyles.
Hymn—All Hail the Power of Jesus Name.
Benediction.
Postlude—Processional March—Parker.

Skepticalism.
A man in New York who was arrested for annoying a strange young woman ascribed his act to a state of mind engendered by chop suey. The judge, who is himself something of an Oriental scholar, said "O poor ten duck," which is a Chinese expression of skepticism.—Washington Herald.

Dead Certain.
"Hello," said the voice of the village ocker at the end of the line. "Is this the Gem pharmacy?"
"It is," answered the busy drugist.
"Do you keep carbolic acid?"
"We do."
"Well, wouldn't that kill you!"

PUT SULPHUR ON AN ITCHING SKIN AND END ECZEMA

Says this old-time Eczema remedy is applied like cold cream.

Any irritation or breaking out on the face, arms, legs or body when accompanied by itching, or when the skin is dry and feverish, can be readily overcome by applying a little bold-sulphur, says a noted dermatologist.

He states that bold-sulphur instantly allays the angry itching and irritation and soothes and heals the Eczema, right up leaving the skin clear and smooth. Bold-sulphur has occupied a secure position for many years in the treatment of cutaneous disorders because of its parasite-destroying property. Nothing has ever been found to take its place in treating the irritable and inflammatory skin affections. While not always establishing a permanent cure it never fails to subdue the itching irritation and drive the Eczema away and it is often years later before any eruption again appears on the skin.

Those troubled should obtain at any drug store an ounce of bold-sulphur, which is applied to the affected parts in the same manner as an ordinary cold cream.
