EXPECTS 300 BIRDS

To Be Entered and They Will Be
Placed in Vacant Store Rooms
Anderson Theatre Building.

Mr. Newt Campbell, secretary of the Anderson County Poultry association, was a visitor yesterday and stated that everything was pointing a large and successful poultry show. The show opens in two vacant store rooms of the Anderson theatre building on Tuesday morning and will continue through Wednesday. Mr. Campbell stated that he was expecting between 300 and 400 birds to be entered.

Mr. Campbell stated that everything was about ready for the show and that Mr. W. P. Stewart of Simpsonville, Greenville county would be the judge. The judging will be done on Tuesday and should be completed by 4 o'clock in the afternoon. Since two store rooms will be used, one will be closed while the judging is being done in the other and vice versa.

NEWS FROM SENECA

Seneca, Nov. 20.—The semi annual meeting of the Eighth District Knights of Pythias was held in the castle hall of the Seneca lodge on Thursday the eighteenth.

A business session was held at 3:30 o'clock. The secret work was strikingly exemplified by the grand keeper of records and seals, C. D. Brown, of Abbeville, and a very inspiring address on the spirit and work of Pythianism was delivered by Mr. M. A. Lumpkin, vice grand chancellor, of Columbia.

In the evening a banquet was tendered the visiting brethren at the Oconee Inn. This meeting was presided over by Dr. E. C. Doyle, and several speeches were made by C. D. Brown, Abbeville, W. C. Taylor of Westminster, and T. S. Stribling of Pickens.

The banquet was served by Mr. H. F. Jackson, the new manager of the Oconee Inn, and was a feast to tickle the palate of the most fastidious epicure.

Some of those in attendance from out of town were: W. C. Taylor, Dr. W. A. Strickland and W. I. Crenshaw, Westminster; L. H. and J. M. Smith, Easley; H. W. Hott and T. S. Stribling, Pickens; A. M. Lumpkin, Columbia; C. D. Brown, Abbeville; T. F. McHugh, Piedmont; E. Baum, J. W. Powel and H. G. Howel, Greenville.

Mayor Under Knife.

Mayor John Purroy Mitchell of New York, the youngest chief executive the city has had in many years, was suddenly stricken with acute appendicitis the other day, and was operated on immediately.

Champion Pessimist.
This one has the merit of being true anyhow.
The official pessimist of a small western city, a gentleman who had wrestled with carnal desires for years, stood in front of the postoffice as the noon whistle sounded.
"Twenty o'clock, ah!" he said, half to himself and half to an acquaintance. "Well, you're going home to dinner. If dinner ain't ready I'm going to raise trouble; and if it is ready, ain't going to eat a bite."—Saturday Evening Post.

All Tired Out?

BUY WISS SHEARS THEY STAY SHARP

Cast-Iron Shears break easily. Soft steel shears soon become dull and refuse to cut. All poor shears work loose. Then you have to press and grind the blades together every time you try to cut. This means an aching wrist, cramped fingers and perhaps loss of temper.

WISS SHEARS do not work loose but cut clean and smooth any material, no matter how heavy or light, with ease and certainty.

Call and see the many different styles of WISS SHEARS and SCISSORS we have, for eye-conceivable use.
