SPECIAL EXERCISES GREEN POND SCHOOL

Music Will Be Furnished By
First Baptist Church
Quartette.

This afternoon at 2 o'clock there will be special exercises held at Green Pond school, the program of which was published in The Intelligencer recently. The program is very complete and in addition to that part already printed it is stated that music will be furnished by the quartette which has been playing at the evening services of the First Baptist church of this city. This quartette is composed of Messrs. Webb, von Hasseln, DeWitt, McCauley, Henry Edwards and Mrs. O. L. Martin. Their playing on Sunday evening has been the cause of much comment by those who have heard them.
A silver offering will be taken at the exercises this afternoon, which will go towards paying off the school debt. This school is located about seven miles west of the city and it is hoped the attendance will be large.

BELTON SCHOOL

One of the most beautiful as well original in every detail was the Christmas program given in the auditorium Tuesday evening by Miss Deas Allen, kindergarten teacher, assisted by Miss Cox of the first grade. The stage presented a scene of beauty representing a forest where green and white was used.
The first scene was an interpretation of Brownie Land when thirty tiny tots emerged from one nook dressed in real Brownie costumes trimmed in white fur with caps to match. To the catchy music they gave the Brownie dance with perfect grace and ease. Every movement showed rhythmic in their body as well their souls.
The march with the Christmas bells was perfect and the German Klapp march was well done. Mr. Duck went to call on Mr. Turkey, a mutton and song by Mary E. Mitchell and Bernice Shaw brought down the house.
The carol sung by the children were well rendered, especially bells, as the merry jingle bells chimed in.
The last scene was a picture at midnight. The stage represented a cozy room with large open fire place. Around the mantle were hung many stockings for Santa's gifts.
Mrs. Weathersbee sang very sweetly "The Night Before Christmas." While the Brownies lay fast asleep on the floor, Frank and Kathryn Mitchell dressed in grown up suits represented the old couple watching the dying embers. Santa Claus with his pack emerged from the improvised chimney and delivered many beautiful gifts to the children.
The Christmas tree was beautiful with gifts made by the tiny hands at school. Too much credit cannot be given these small children for their perfect work.
Mrs. Clement assisted by Miss Margaret Clément furnished beautiful music during the evening.

THIRTY PER CENT PROFIT ON SPECULATION EVEN GREATER PROFIT ON INVESTMENT

We have a single tract of approximately 850 acres of rich, Chattahoochee river bottom land situated in Stewart county Georgia, within twenty five miles of Columbus, which we will sell for SEVENTY per cent of what adjacent farm lands are selling for now.

Of this entire plantation, there is one portion of about 300 acres which we would sell separately. Of this smaller tract there are 120 acres cleared, and under cultivation now; the balance—about 180 acres, in woodland. On the entire plantation there are fifteen tenant houses, barns and necessary outbuildings, and one large eight room dwelling house. The Seaboard Airline railroad runs through this place, and there is a sidetrack on the farm. There are 40 acres of nut bearing Pecan trees on the plantation at present.

This is a very desirable plantation, and to a practical farmer of grit, determination, some means, and who is not afraid of the work necessary in the management of such a plantation, this offers the opportunity of a lifetime.

Our only reason for offering this magnificent plantation at such a tremendous sacrifice is strictly a personal one, and we will give it to all interested parties, privately.

We will pay the expense of a trip to Stewart county if the investigator, or his backers, buy the tract of land or any part of it. There are quite a few Anderson county people living in Stewart county Ga. now.
