NINE NEGROES PLACED IN JAIL YESTERDAY

CHARGED WITH ASSAULT AND BATTERY INTENT TO KILL

BEAT ANOTHER

Took One of Own Color Out on Monday Night--He is Now in County Hospital.

Nine negroes were yesterday afternoon placed in the county jail on the charge of assault and battery with intent to kill. They are: Will Nix, Hart Watkins, Sam Epps, Power Arnold, Sam Mitchell, David Davis, Joseph Mattison, Lucius Wideman and Jesse Cochran. They are accused of attacking and severely beating Corless Cook, a negro of the Honea Path section. It is very probable that there will be a charge of murder made against them since Cook is in the county hospital in a serious condition and is likely to die. More arrests are to be made in the case since it is said there were twelve negroes mixed up in the affair. It is said that on Monday night these twelve negroes went into a house where Cook was visiting and took him out. The house is located in Anderson county but the negroes took Cook to the edge of the Abbeville county line and proceeded to beat him up, leaving him badly bruised and lacerated. Sheriff Ashley was called to Honea Path and proceeded to make a thorough investigation. As a result the nine negroes named above were arrested, and placed in the jail at Honea Path to await developments. Yesterday afternoon they were brought to Anderson and placed in the county jail.

LOUIS C. RICHARDSON HOME FOR HOLIDAYS

FIRST TIME IN 22 YEARS THAT HE HAS BEEN ABLE GET HERE

ARRIVED SUNDAY

And Will Be at Home of Father Until Next Tuesday--Soon Be a Commander.

Lieut. Com. Louis C. Richardson, U. S. N., who is spending a few days with his father at his home several miles above the city, was a visitor in Anderson yesterday. Lieut. Richardson arrived home on Sunday night and will be here until Tuesday of next week. Mr. Richardson is now stationed on the U. S. S. Arkansas, Vice Admiral Mayo's flagship. Mr. Mayo is in supreme command of all the ships, and last summer invited Lieut. Richardson to become a member of his staff, but the latter declined.

Lieut. Com. Richardson stated that for the past three months the ships had been doing target practice and had been put through the most strenuous duties in their history. Today they stand in more efficient condition for battle than ever before. The commanders started and gave the school of ship, of division and of fleet, the battleships showing up extra well.

"This is the first time I have been at home during Christmas in 22 years," stated Lieut. Com. Richardson yesterday. "All during this time during the close of the years, we have been in distant waters and did not land at any of the ports close enough home for me to make the trip. I am certainly glad to be here. All of the children will be at home and we will have a regular family reunion. I return to New York next Tuesday and on January 6, we will sail for Cuba where target practice will be entered into again."

When asked when he would be made a commander, Lieut. Richardson stated that it would be some time next summer, about July 1.

COUNTY JAIL AGAIN FULL OF PRISONERS

THERE IS NOW TOTAL OF 34 LODGED WITHIN CELLS

NONE FOR MURDER

All of Them Arrested on Minor Charges--Two Georgia Negroes Committed.

Although it has been only a short time since the last term of criminal court when the jail was practically cleared of prisoners, it is now full again. Yesterday morning there were 25 prisoners in the cells and the nine negroes placed in there yesterday afternoon made a total of 34. Of this number 11 are white.

Strange to state, none of these prisoners are charged with murder. All of them being placed in jail on minor charges. Seldom it is that 34 prisoners are placed in jail in one county when none of them are accused of murder.

Deputy Sheriff Williams and Sanders have placed George Jones and John Stowers, two negroes, in jail, charged with being implicated in the stealing of last Saturday in which John and Jim Ashworth are said to have been engaged. It appears that these negroes did most of the stealing and the two white men carried the articles off in their buggy. Deputies Sanders and Williams went to Georgia to look for some of the stolen goods and found harness, laprobes, whips, etc., which had been taken off

by these men, it is said. While in Georgia they arrested the two negroes for being implicated in the affair. Squire Neal and Tom Neal, negroes, were arrested yesterday by Sheriff Ashley near Starr, on the charge of being drunk and disorderly on public highway. They have been released on \$25 bond each.

Will Reames, a negro, was yesterday placed in jail on charge of burglary. It is said that he confessed to stealing some things from a negro woman.

If the claims sets up by the German chancellor that his country, sixteen and a half months after the beginning of the war, has war munitions, food, cotton and all other commodities in abundance, the conclusion follows, in the light of helplessness of the German fleet, that German pretensions, sagacity and statesmanship failed utterly in spending the money of the German people in the creation of a naval establishment for offensive purposes.—The State.
