AND COLOR IN HAIR
Don't Stay Gray! It Darkens
So Naturally that No-
body Can Tell.**

You can turn gray, faded hair beau-
tifully dark and lustrous almost over-
night if you'll get a 50-cent bottle of
"Wyeth's Sage and Sulphur Com-
pound" at any drug store. Millions of
bottles of this old, famous Sage Tea
Recipe are sold annually, says a well-
known druggist here, because it dark-
ens the hair so naturally and evenly
that no one can tell it has been ap-
plied.

Those whose hair is turning gray,
becoming faded, dry, cornily and
thin have a surprise awaiting them,
because after one or two applications
the gray hair vanishes and your locks
become luxuriantly dark and beauti-
ful—all dandruff, goes, scalp itching
and falling hair stop.

This is the age of youth. Gray-
haired, unattractive folks aren't
wanted around, so get busy with
Wyeth's Sage and Sulphur tonight
and you'll be delighted with your
dark, handsome hair and your youth-
ful appearance within a few days.
