"Awful anxiety was felt for the widow of the brave General Burnham, of Machias, Me., when the doctors said she could not live till morning," writes Mrs. S. H. Lincoln, who attended her that fearful night. "All thought she must soon die from pneumonia but she begged for Dr. King's New Discovery, saying it had more than once saved her life, and had cured her of Consumption. After three small doses she slept easily all night, and its further use completely cured her." This marvelous medicine is guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c and \$1.00. **AN APOLOGY.**

The editor is compelled to ask the indulgence of the readers of THE NEWS AND HERALD for the small amount of reading matter in this issue. This is due to the fact that on account of a delay in getting certain materials much of our type was locked up in such a way that we did not have control of it. We therefore make the usual promise that we shall try to do better next time.

**IN MEMORY OF JOEL ASHFORD.**

The following lines are dedicated to the memory of Joel Ashford, who died Jan. 17, 1901:

Dead? No not dead but gone before  
Unending life in heaven,  
The binding chains of pain and woe  
Eternally are given.

Follow his life; his manhood pure  
A lesson sweet will teach,  
How wisdom's ways he did pursue  
The promised goal to reach.

He lived for God; with God he reigned,  
Oh, joy unspeakable!  
With our loss, he rightly gains  
His share of glory full.

We should not grieve, because we know  
Our loved one safe has crossed  
The stream, and from our mortal sight  
In glory he is lost.

So while our tears refuse to stay,  
And sad our every heart;  
Oh! let us not forget that day  
When loved ones shall not part.  
—A Friend.

**Women are Like Flowers.**

Healthy and strong they blossom and bloom. Sickly, they wither and die. Every woman ought to look well and feel well. It's her right and duty, but she might as well try to put out a fire with oil as to be healthy and attractive with disease corroding the organs that make her a woman. Upon their health depends her health. If there is inflammation or weakening drains or suffering at the monthly period, attend to it at once. Don't delay. You're one step nearer the grave every day you put it off. Women can stand a great deal, but they cannot live forever with disease dragging at the most delicate and vital organs in their body. You may have been deceived in so-called cures. We don't see how you could help it, there is so much worthless stuff on the market. But you won't be disappointed in Bradfield's Female Regulator. We believe it is the one medicine on earth for womanly ills. There is as much difference between it and other so-called remedies as there is between right and wrong. Bradfield's Female Regulator soothes the pain, stops the drains, promotes regularity, strengthens, purifies and cleanses. It does all this quickly and easily and naturally. It is for women alone to decide whether they will be healthy or sick. Bradfield's Regulator lies at hand. \$1 per bottle at drug store. Send for our free booklet.
