

# A Talk on Spring Clothing.

**EVERY MAN** WHO HAS A REGARD FOR his pocket-book and wants to practice "practical economy" should see our line of **SPRING CLOTHING**.

Every man who has any regard for "well cut," well made and "good fitting" clothing should see our line of **SPRING CLOTHING**.

There is just as much difference in the "making" of a suit as there is in the making of a watch. When you buy a watch you want to know "how about the movements"—the "insides." So about clothes. You want to know how about "insides." How is it built? Some clothing is "built" and some just "thrown together."

Our Clothing is "Built" and consequently you get a "Good Fit" and "Permanent Shape."

We are prepared to show you the "choicest productions" of the best manufactures in America. **COME AND SEE.**

We are also prepared to show you the other requisites of a "well dressed man"—Collars and Cuffs in all shapes and sizes; Neckwear in abundance and in all shapes.

## SHIRTS.

Well, you will have to see them. We can't tell you enough about them.

Suspenders, Hosiery, Underwear and Handkerchiefs.

## NOW AS TO HATS.

We don't hesitate to say that we will be able to show "the most complete" and "up to date" stock of Hats ever exhibited in this town.

STRAW HATS in endless variety and quality.

FELT HATS in all colors and shapes, from the cheapest to Stetson's Best.

We ask you to come and see and find out for yourself that we will sell you

## GOOD GOODS

at prices that will astonish you.

In a Well.

At about eleven o'clock Thursday it was learned in town that the night before at about the same hour Mr. E. D. Mobley of Blackstock had been found in his well.

The report at first was that he was dead, but a later investigation disclosed the fact that, though badly bruised by the fall, he was still alive, conscious, and that hopes of his recovery were being entertained. We have no information as to the occurrence. We join the many friends of Mr. Mobley in sympathy for him and the hopes for his speedy recovery. Mr. Mobley is one of the county's best citizens, and a great interest in him has been manifested by a large number. Mr. D. A. Crawford and his wife, a daughter of Mr. Mobley's, went at once to Blackstock.
