

BINGHAM 10, UNIVERSITY OF S. C. 6

(Continued from page 1.)

'Varsity back for downs. Hammond then made a long kick to the left of the field and Bingham's man was downed within 10 yards of his goal. On a trick play a long run was made around our end, and the ball was in the hands of the visitors most of the remaining time.

Throughout the game, Belser was worked overtime and made good gains almost every time he was called upon.

The punting and tackling of Hammond was of a high order. Mobley, Perrin and Crouch all played a good, steady game. And at one time the last named player got onto a Bingham man and carried him down the field with a hold that would have made Burt Hudson put on his thinking cap.

For the visitors, Koon, the coach, at full, and "Maggie" Awtry, at end, played star ball. Whenever "Koonie" would call on "Maggie" to receive a forward pass, she would go after it like any girl would go after a new hat at a fire sale.

The two teams, on the whole, played about an even game, and if the 'Varsity eleven had played the game in the first part of the first half that they put up in the second half, there is no doubt but that they would have either tied the game or put a defeat to the "Tarheels." The visitors outweighed our boys ten or fifteen pounds, and, besides this, they had a number of old, experienced players with them. Taking these facts into consideration, it will not be hard to understand why our light and inexperienced but fast and spirited team met defeat.

The following is a detailed account:

FIRST HALF.

When Hammond kicked off to Kimball the latter brought the ball up 12 yards. On the next two plays, with gains of only four yards, by Koon and Kimball, McGee kicked, Perrin advancing three yards. Belser, five yards; Wynne, three yards, and Izlar three yards, on line plays, gave Carolina distance on the first series of plays. Perrin gained five yards, but on the next two plays the ball went over to Bingham. Wright came around left end for seven yards, but the next play Koon failed to gain anything and Bingham was forced to kick. Belser advanced five yards on the punt. Hammond then kicked to Wright.

Hammond got on to some good tackling in the next play by landing Kimball behind the line for a loss of two yards. Norton came up eight and a half yards and Koon added two. Along here Bingham was smashing at Carolina's line and the ball was within 12 yards of the goal line. McGee carried the ball over for the first touchdown on a run around left end. Norton kicked goal. Score: Bingham 6; Carolina 0.

AWTRY KICKS DROP.

In the next six minutes four more points were added to the score by Bingham, by the aid of Awtry's boot work, who made a drop kick from the 20-yard line. Bingham used three men altogether on kicks, McGee doing the punt work for the most part; Awtry

doing the drop kicking, and Norton the place kicking.

After the first touchdown Hammond kicked off to Norton, who came up 10 yards, and Bremmer made only one yard on a tackle out of tackle play. Wright then broke through for 20 yards on an end run, 18 yards being netted on the very next play by Awtry on a play around right end. Koon clipped off five yards and on the next two plays distance was netted by Bingham.

After two gains of three yards each, a kick was attempted and Izlar blocked the ball, Norton gaining possession. Kimball made four yards, but on the next play a loss of one yard caused an attempted kick, Awtry gaining possession of the ball. Here was a long discussion as to whether the man who finally received the ball was onside. The pigskin had not touched the ground and it was Carolina's contention that the ball should go over. The officials gave the ball to Bingham on this play.

Kimball failed to net any gain, but Glenn clipped off seven yards on an out of tackle play. Belser tackled Norton behind the line on the next play. Awtry dropped back and sent the ball between the goal posts from the 20-yard line on the next play. Score: Bingham 10; Carolina 0.

CAROLINA SCORES.

Hammond kicked to Koon, who came up 13 yards. Kimball failed to gain, Crouch pushing him back for a loss of two yards. Kick. Hammond gained possession of the ball in the middle of the field. Perrin went for five yards. Hammond kicked and the ball was returned 20 yards. On a fumble Carolina gained possession of the ball. Hammond kicked and Murdaugh tackled McGee in his tracks. McGee passed to Awtry for a five yards' gain on the forward pass. No gain on the next play, but Norton clipped off five yards for his team on the third down, making distance. Wright went for three yards and not gaining on the next play, McGee kicked to Hammond, who came up to the 20-yard line.

Belser made a smashing line play for a 20-yard gain and on the next play Bill Perrin ran along the sideline for the same distance. Carolina was going for the goal here and every play was counting. Belser made one yard and then the forward pass was shot by Hammond, Mobley getting the ball within a yard of the goal. Belser went over for a touchdown. Hammond kicked goal. Score: Bingham 10; Carolina 6. This ended the scoring. In the second half neither side was able to get the ball over the goal line and two drop kicks were missed by Awtry in this half.

When McGee kicked off to Perrin the latter brought the ball 27 yards in a pretty run through the broken field. From this point for the next few plays it looked like Carolina was going to score. Izlar went for 10 yards; Belser for 10 yards; Perrin made it 15 more. On the next two downs there was a gain of five yards and then Hammond kicked. Belser made a nice tackle of Kimball, who was going around left end. Norton gained five yards. Kimball failed to gain, Murdaugh tackling him behind the line.

On the next play Koon attempted the forward pass, but the ball hit the

ground. This being the third down, the ball went to Carolina on the spot, as provided in the rules for an uncompleted forward pass on the third down. Belser went for five yards, then for three more, and time was up with the ball in Carolina's possession on the 20-yard line. Score, end of first half: Carolina 6; Bingham 10.

SECOND HALF.

On the kickoff by Bingham, Perrin came up 10 yards; Belser went for seven around left end; Wynne made two and Belser four. Izlar made five yards, then Hammond kicked, McGee bringing the ball back 15 yards. Norton made 12 yards around right end; Kimball four around left end; Koon failed to gain; Norton made six yards and McGee one yard. On the forward pass, Koon to Awtry, 10 yards was netted.

Herbert went in for Murdaugh at right end. Bingham failed to gain on the next two plays and Awtry attempted a drop kick, which was blocked, Wright recovering the ball. A discussion followed, but it ended as it started with Bingham having possession of the pigskin. Koon went one yard and Kimball was nabbed for a loss by Perrin and Herbert on the next play.

Awtry attempted another drop kick and the ball was nabbed by Herbert. Herbert went for five yards and Hammond kicked. Norton was tackled in his tracks by Herbert. Bingham's ball on the 45-yard line. Glenn went for five yards. Kick. Blocked and McGee was tackled by DesPortes. A forward pass executed from Wright to Koon. Awtry netted Bingham 20 yards, this being the most successful of all the forward passes attempted during the game. Wright went five yards and Bingham failed to make distance on the next two plays. Carolina's ball.

Belser clipped off 15 yards; Izlar three and Perrin two. Hammond kicked to the five-yard line and McGee was tackled in his tracks by Belser. Norton went around right end for 12 yards. Kimball added 10 to Bingham's lot, but Wright failed to gain. Kimball went for eight yards. Marion was replaced by Sharpton. Kimball failed to gain around left end, and the ball went over to Carolina. Herbert failed to gain and Belser made one yard. On an illegal forward pass on the third down the ball went over to Bingham. Koon on the next play was offside and a penalty of five yards was placed upon his team. On a trick formation Kimball lost two yards around left end. The next play, practically the same, with elements of a fake kick thrown in, saw Koon advance 13 yards. Koon then took the ball through the line twice for a gain of 11 yards. Norton made five yards and Kimball was held to a standstill by Carolina. The next play ended the game when Kimball failed to gain around left end. Score: Bingham 10; Carolina 6, with the ball in Bingham's possession on the 20-yard line.

Mr. H. A. Ligon has returned for the remainder of the session.

* * *

The friends of Mr. H. W. Hughes regret to learn that he has withdrawn from college, and hope that his eyes will soon permit him to return.

THE STATE TENNIS TOURNAMENT

(Continued from page 1.)

leges. Then in the spring of 1909 the tournament will be fixed to meet each spring of the year.

There is no reason why Carolina should not be able to have the State Tennis meet in Columbia with much success. The city is centrally located, and all the colleges would be able to send players to represent them. The tennis interest is high in the city, and also at the University. There are some good courts at the college, and if these do not prove adequate more will be built. Then the Ridgewood Club owns some fine courts which they might be influenced to give over to the University for the meet. Each institution will bear the railroad expenses of their tennis teams, but the University of South Carolina will see to the entertainment of the visitors and the other expenses of the tournament.

A committee consisting of B. J. White and S. B. Rich have been appointed to set the exact date of the meet, which will be done as soon as President Workman is heard from. No time will be spared by the University Tennis Association to get things in readiness for the meet, and players and all the colleges of the State are urged to send representatives to the city for the event. Carolina will insure the visitors the best of treatment and hope to make the meet successful.

The tennis lovers have been playing out on the courts on the green in the afternoons, and are developing into good players. The University Lawn Tennis Association has been a little backward in getting more courts fixed up to supply the demands, but it is almost impossible to secure workmen to fix the grounds in proper shape.

President Harry Davis, of the Tennis Association of Carolina, has been trying to get the college to build up the courts, and the tennis players hope that the faculty will see fit to provide courts. The Association has not asked the aid of the faculty until now, and there is no reason why they should not lend their support to this form of athletics as well as to other forms.

Some financial aid will have to be asked of the students if the tournament is held, as it will no doubt be. There will be no way of charging admission, but some plan will be adopted. Some have suggested that tickets of 50c. each for the entire series be sold and the proceeds be used for some kinds of entertainment for the visitors, and all students be allowed to attend. It is the aim of the Tennis Association to treat the men that come from the other colleges as best they can, and not to come out at the head of the game. The University students will give the visitors a good time and work for success of the meet.

It will be necessary to hold a preliminary to choose representatives for the State meet. This will be done very soon, and every tennis man will be given a tryout for the place. As with every form of athletics, just so it is with tennis, the best players are the ones that Carolina wants to represent her against the other institutions. It is up to some of the other colleges besides Erskine to win the tournament, and the players who are picked to play for the University are going to try to be a victor in the fight.
