

ARROW CLUB GETS CHARTER

Many Prominent Members of National Body Assisted in Installation

The Arrow Club of the University of South Carolina has been granted a charter in the Phi Kappa Sigma fraternity and was installed as a chapter of the national organization on March 9.

The Arrow Club is one of the oldest social clubs on the campus and was in existence several years before the anti-fraternity law was repealed. The club numbers among its alumni many prominent young South Carolinians. Contrary to the general rule before fraternities were re-admitted to the University, the Arrow Club was one of the few social organizations maintaining a club house.

The South Carolina chapter of Phi Kappa Sigma is known as Alpha Eta chapter, the club having been granted permission to revive the chapter that was in existence at the College of Charleston from 1901 to 1905, after its members found they would no longer be able to keep the chapter up to the standard of the fraternity because of scarcity of material at the college brought about by the limited enrollment.

Active members of the Arrow Club who were installed as charter members of the Alpha Eta chapter of South Carolina are: Dorsey K. Librand, Wagner; Harry A. White, Andrews; William Cooper, Florence; Lindsey Hall, Batesburg; A. V. Smith, Gaston; R. P. Searson, Jr., Allendale; Frampton Harper, Allendale; L. C. Shecut, Jr., Orangeburg; Bruce W. White, Easley; W. L. Whitehead, Lake City; N. S. McLaulin, Florence; Elliott W. Crum, Orangeburg; J. P. Petit, Charleston; H. A. Lupo, Marion; L. C. Williams, Lee Valley, Tennessee; W. P. Clark, Jr., Mullins; Prof. E. C. Kilpatrick, Union City, Alabama; F. W. Alliston, Columbia; Clarence Jones, Anderson; A. P. Bolton, Lykesland.

The fraternity now has forty active chapters since the Arrow Club's installation. Thomas B. McAdams, of the State-Planters Bank and Trust Company of Richmond, Virginia, is Grand Alpha of the National body.
