"We were the better team but we got beat," said junior varsity coach Jerry Sullivan after his Carolina squad lost to Georgia 10-3 on Monday afternoon.

The Georgia Bullpups got all the scoring they needed in the first quarter when Jesse Murray returned a Jay Feltz punt 57 yards for the games only touchdown.

The Carolina JV's got on the scoreboard later in the first quarter with a 29 yard field goal by Rick Pappas. Georgia closed out the scoring with a 24 yard field goal in the second quarter.

Sullivan said, "It was our inability to capitalize on breaks that cost us the game." Georgia turned the ball over on fumbles three times but Carolina was unable to take advantage of the recoveries.

The JV's gave up 276 yards less than the varsity did to Georgia. Carolina's defense did a good job in holding the powerful Georgia offense to 146 yards.

The Carolina offense rolled up 249 yards total offense, 165 rushing and 84 passing. Leading Carolina in rushing was Jimbo Neely with 68 yards in 17 attempts. Following Neely were Jay Feltz with 34 yards, Tom Grant with 30 yards and Bruce Wilson with 29 yards.

Handling most of the quarterbacking for the Gamecock was Jay Feltz. He completed six passes out of seventeen attempts for 62 yards and one interception. Bob Orkis and Jeff Wilson came in late in the game and completed one pass each.

Stan Candler and Kim Gunner were on the receiving end of all the passes. Each one caught four for 37 and 47 yards respectively.

The JV's next game will be on Monday, October 13, at 3 o'clock against Georgia Tech at Williams-Brice Stadium.

# USC Rugby overwhelms Allendale

"The forwards looked good but we need to work more with the backs because they need to get their patterns down and start clicking," said captain Tim Brophy after his USC rugby team defeated Allendale 23-10 in their home opener Sunday.

Three different players scored a try in the victory. The try is the football equivalent of a touchdown. The difference is that it is worth four points instead of six. Scoring tries for USC were John Kantner, Jack Stewart and Ray Gladden who scored twice. John Horne added two conversions and a 25 yard penalty kick.

USC dominated in every phase of the game. They utilized good sharp passing, kicking into position, and good crisp hitting to outplay their opposition throughout the entire game.

# Can black and blue see eye to eye?

In Rochester, New York, it's been happening for years.

The youth is a member of TOPs. Teens on Patrol. A group of boys and girls from the inner city who work with police each summer to help keep city recreation areas safe and orderly.

TOPs was conceived by Eastman Kodak Company and Rochester Jobs, Inc. in 1967. It has brought about a greater understanding and mutual respect between police and young people from the surrounding community.

TOPs don't have the power to make arrests, but they learn about police by working with them. Wearing special jackets and T-shirts, they ride in squad cars. Walk the beat. Monitor calls at the station. Supervise kids at pools and playgrounds. For which they're paid a salary.

Police come into the neighborhood as partici-

pants, not observers. When they get to know the people they're sworn to protect, they learn how their interests can be better served.

Why does Kodak provide financial support to TOPs? Because helping the people of Rochester communicate with one another helps build a better community in which the company can operate and grow. In short, it's good business. And we're in business to make a profit. But it's also good for society. The same society our business depends on.

If a company that makes pictures can't help people see more clearly, who can?

**Kodak.**  
**More than a business.**
