HOROSCOPES

**ARIES** Your dreams should be absolutely amazing tonight, so be prepared. Keep pens and paper — and a nightlight — ready for when inspiration hits.  
**TAURUS** You're usually the one person in the group who's always thrifty. Don't bet on that now, and be careful. You could waste a lot of money.  
**GEMINI** Running into an obstacle is never comfortable. It's a shock to your delicate senses — and to your creativity. So watch where you're going, and don't run into the obstacle too hard.  
**CANCER** Love is a strong enticement to venture outside your comfort zone. The danger is even more intense, if you're flirting on company time. Important people are watching.  
**LEO** An otherwise wonderful moment could be disrupted by financial worries. You'll have plenty of money, however, after the property appreciates.  
**VIRGO** You'd like to go along with what your partner wants, and yet, you're not convinced that it will work. Stay involved. You're right.  
**LIBRA** Proceed with caution. The map you're following doesn't go this far. The only certainty is that conditions are uncertain.  
**SCORPIO** Not a good time to gamble, make investments or buy toys. Advise a loved one that waiting will make the rewards that much sweeter.  
**SAGITTARIUS** Don't do anything outrageous, even in private at home. Odds are too high that you'd hurt yourself or break something. Don't jump on the couch!  
**CAPRICORN** New information is in conflict with a previous assumption. How can you decide which is the truth? Wait — it becomes apparent.  
**AQUARIUS** You don't have to share everything with your friends every time. For example, if you win a prize or bonus, don't tell anybody about it. Just get yourself a small treat.  
**PISCES** Your natural compassion serves you, and others, well. Offer support and some good ideas to a person who's very upset.
