PICKENS, S. C.:

SATURDAY, NOVEMBER 10, 1906.

An exchange remarks that "a St. Louis woman who was sued for payment of a costly pair of corsets will endeavor to prove in court that they did not fit her snugly." St. Louis is in Missouri, you know

Secretary Shaw his figured it out that Uncle Sam will need $924,562,146.07 next year. We will cheerfully contribute the seven cents if other generous nephews of our good uncle will look after the remainder.

The School census gives Chicago a population of 1,780,000, whereas the city directory's estimate is 2,300,000. We can't help believing that there is carelessness somewhere in connections with these guesses.

"You can't tell a man from Chicago—anything." That answer won the $10 prize for the following question "How can you tell a Chicagoan?" The second prize was given to a woman from Goshen, Ind., who said "Whisper canned meat" and "look at his wife's feet."

Almost every town has a character who sprained his back in 1863, or thereabouts. He is physically unable to work but he can sit all day on a hard box in a livery stable playing checkers, while his wife chases underbreeches up and down the wash board to keep him in smoking tobacco and grub.

Did you ever watch the man with nothing to do? Well, he has the hardest job of any one we ever studied. Loafing and idling time away may look good to the man who is putting in ten hours daily for six days out of the week, but let him loaf for a couple of weeks and the chances are he will be the most unhappy and discontented man in town.

A man went into an undertaker's shop the other day almost overwhelmed with grief. The kind undertaker soothed the caliar as best he could before asking for the order. Finally the man was able to tell what the trouble was: "I have lost my wife," he sobbed, and then with one supreme effort he continued, "and I would sooner have lost the best cow on the place."

A southern editor is author of the information: Some of you folks who never had a million dollars, we editors, do not know, of course, of just what the big pile consists. We will put you on. When you have a million one dollar bills, and pile them up flat on one another and want to reach the top, you will have to climb up 27 feet. If you laid them down end to end, you would have to walk nearly twelve miles. If you had the amount in silver dollars, the pile would be a mile and a half high. And so on.

### Did It Ever Occur to You?

Did you ever think to look over a list of young unmarried men of your acquaintance, and see how many of them are really able to support a wife, and the consequent family? I am speaking more particularly of the small towns and not of the farmer, who is a king unto himself. The result of such an investigation would probably startle you immensely. Not one young man in ten, based on a very conservative estimate, is more than able to take care of himself or has acquired any property whatever or laid up a penny for the married emergency. They are depending on something to turn up that will relieve them of any such responsibility, or believe in the old yet continually refuted adage, two can live as one. They marry some addlepated love-sick girl and trust to luck to bring them out of the pit that they have voluntarily dug for themselves. The result is either a divorce or a continual struggle with the gaunt wolf of poverty, while the winged cove that thinks in youthful wisdom that life is livable on love and kisses flies out of the window to torment into a repetition of the error some other young couple. The offspring go to help on our criminal list. If every young man could be brought to see that provision for a family is one of the first prerequisites of such a step, the world will soon be brought to that sought for millenium, that happy conception when every man has attained the acme of greatness—the wisdom of 40 at the age of 20.

### Oyster Supper at Liberty.

Everybody is cordially invited to attend. Oysters will be ready to serve at 7;30 o'clock. Music will be furnished by several young ladies.

Keep the bowels open when you have a cold and use a good remedy to allay the inflammation of the mucous membranes. The best is Kennedy's Laxative Honey and Tar. It contains no opiates, moves the bowels, drives out the cold. Is reliable and tastes good. Sold by Pickens Drug Co.

## Impoverished Soil

Impoverished soil, like impoverished blood, needs a proper fertilizer. A chemist by analyzing the soil can tell you what fertilizer to use for different products.

If your blood is impoverished your doctor will tell you what you need for a tonic and give it the rich, red corpuscles that are lacking in it. It may be you need a tonic, but more likely you need a concentrated fat food, and fat is the element lacking in your system.

There is no fat food that is so easily digested and assimilated as

**Scott's Emulsion of Cod Liver Oil**

It will nourish and strengthen the body when milk and cream fail to do it. Scott's Emulsion is always the same; always palatable and always beneficial where the body is wasting from any cause, either in children or adults.

*We will send you a sample free.*

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

—The bird law does not go into effect until the 15th instant. Those who have been hunting heretofore have laid themselves liable to the law.

—Dr. W. M. Horton, the popular dentist, has located at Liberty for the practice of his profession, and will make periodical visits to other towns in the county. He will be in Pickins Monday the 12th (see his notice in the business column) and solicits your patronage. The doctor comes highly recommended by people whom you know, and all his work is first-class and guaranteed.

—We call your attention to the ad of Messrs. Hunt & Harper, of Seneca, which appears in this issue, on the same page with and under the ad of J. Thos. Arnold Co. They recently had a fire and have arranged with the insurance companies to sell the damaged goods so will inaugurate a fire sale the 10th instant. Go and see what they have got if you want borgains you will find them there.

—Claude Hester is the champion hunter of this section; he has four good dogs, and nearly every night he goes out and by bed time has anywhere from two to five possums. These are the best hunters in the county or possums are the most plentiful, one of the two. Any how it is, Claude says his dogs are not for sale and as soon as he can get a suitable building to keep them in he is going into catching possums right and starting a "possum market" here. Every enterprise, no matter what it is, helps the town and every body is fond of "baked possum and sweet taters."

## The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect our heads, throats, feet and lungs, but the stomach we are utterly indifferent to, until disease finds the solar plexus and knocks us out. Make your stomach sound and strong by the use of Doctor Pierce's Golden Medical Discovery, and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. *Why* the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other delicate organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N.Y. The booklet can also be had for the asking from any of Dr. Pierce's medicine dealers. Don't accept any substitute for "Golden Medical Discovery" that may be offered you by some dealer who wishes to make a little more profit.

### Afflicted With Sore Eyes for 33 Years.

I have been afflicted with sore eyes for thirty-three years. Thirteen years ago I became totally blind and was blind for six years. My eyes was badly inflamed. One of my neighbors insisted upon my trying Chamberlain's Salve and gave me half a box of it. To my surprise it healed my eyes and my sight came back to me.—P. C. EARLE, Cynthiana, Ky. Chamberlain's Salve is for sale by Pickens Drug Co.

### Result of Neglect

In most cases consumption results from a neglected or improperly treated cold. Foley's Honey and Tar cures the most obstinate coughs and prevents serious results. It costs you no more than the unknown preparations and you should insist upon having the genuine in the yellow package. Parkins Pharmacy, Liberty, and Pickens Drug Co

### A Badly Burned Girl

or boy, man or woman, is quickly out of pain if Bucklen's Arnica Salve is applied promptly. G. J. Welch, of Tekonsha, Mich., says: "I use it in my family for cuts, sores and all skin injuries, and find it perfect." Quickest Pile cure known. Best healing salve made. 25c at Pickens Drug Co.

### A Young Mother At 70.

"My mother has suddenly been made young at 70. Twenty years of intense suffering from dyspepsia had entirely disabled her, until six months ago, when she began taking Electric Bitters, which have completely cured her and restored the strength and activity she had in the prime of life," writes Mrs. W. L. Gilpatrick, of Danforth, Me. Greatest restorative medicine on the globe. Sets Stomach, Liver and Kidneys right, purifies the blood, and cures Malaria, Biliousness and Weaknesses. Wonderful Nerve Tonic. Price 50c. Guaranteed by Pickens Drug Co.

Foley's Kidney Cure will cure any case of kidney trouble that is not beyond medical aid. Parkins Pharmacy, Liberty, and Pickens Drug Co.

### How to Cure a Cold.

The question of how to cure a cold without unnecessary loss of time is one in which we are all more or less interested, for the quicker a cold is gotten rid of the less the danger of pneumonia and other serious diseases. Mr. E. W. L. Hall, of Waverly, Va., has used Chamberlain's Cough Remedy for years, and says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and Foley's Honey and Tar." For sale by Pickens Drug Co.

ADVICE TO HOUSEWIVES

No home is so pleasant, regardless of the comforts that money will buy, as when the entire family is in perfect health. A bottle of Orino Laxative Fruit Syrup costs 50 cents. It will cure every member of the family of constipation, sick headache or stomach trouble. Parkins Pharmacy, Liberty, and Pickens Drug Co.

When a horse is so over worked it lies down and in other ways declares it is already large further, you would consider it cruelty to use force. Many a man of immature manhood, who would not willingly harm a kitten, is guilt of cruelty where his own stomach is concerned. Overdriven, overworked. Then what it requires something that will digest the food, enrich the blood help the stomach to regenerate. Something like Kodol For Dyspepsia that is sold by Pickens Drug Co.

Danger From The Plague.

There's grave danger from the plague of Coughs and Colds that are so prevalent, unless you take Dr. King's New Discovery for Consumption, Coughs and Colds. Mrs. Geo. Walls, of Forest City, Me., writes: "It's a God-send to people living in climates where coughs and colds prevail. I find it quickly ends them. It prevents Pneumonia, cures LaGrippe, gives wonderful relief in Asthma and Hay Fever, and makes weak lungs strong enough to ward off Consumption, Coughs and Colds. 50c and $1.00. Guaranteed by Pickens Drug Co. Trial bottle free.

NOTICE.—Any and every body who wants their cotton ginned for the 25th pound and the bagging and ties furnished free of charge or for one dollar per bale and pay 65 cents for bagging and ties, just bring it to A. D. Mann's new system ginnery and get the very best work that can be done in a very short time. Can save you time and you won't have anything to do. Also will pay you the market price for your cotton seed. Yours, A. D. Mann.
