### The Mountain Trip.

On the morning of July 29th Squire Boggs and his party, consisting of himself, his daughter Hattie and son Marion, his nephew DeWitt Boggs of Pendleton, his son-in-law H. G. Smith and family of Liberty, his neices Eva, Decie and Nellie Newton of Pendleton, and Mr. and Mrs. Herbert Parsons and daughter Jimmie of Liberty left for a trip to the mountains. There were three old-maid school-teachers who had to bear the teasing, two young ladies, two "sports," two babies, and the rest were "staid" married people. We were accompanied by Het Byrd, a lady of color, and Allen Patterson, a groomsmen.

Our journey was uneventful and we reached Gap Hill church where we halted for an hour and

the grain was beaten out with sticks. Another evidence of progressiveness was the large number of colts in the pastures. As we neared Brevard the cattle were fenced in while in most sections both cattle and hogs had free range. We reached Brevard and after spending the noon hour pleasantly with friends we drove to Connettee falls. The falls are unusually pretty for so small ones. We camped that night near Little River. During the night we had a heavy thunder shower which frightened some of the party and aroused a drove of cattle who were spending the night in our vicinity. They attacked our feed wagon and had to be driven away the second time. So the dogs attempted to raid our provision boxes, so taken as a whole the night was enjoyed in an unusual manner.

We arose early and were on our way to Ceaser's Head by six o'clock. We reached there by eight o'clock and the fog had cleared away so we could see all there was to see. It was a new scene to most of us and we enjoyed standing on the mountain and locating different places around the horizon.

We then came down the mountain and every one was glad to say, "We are on the way home." We ate dinner soon after crossing Saluda river and made our way to Pickens, reaching there about sundown. We halted awhile to rest our animals and to refresh ourselves with supper then we came on to Liberty. Our last day's drive was the longest, but as the baseball boys say, "We were making our home-run."

We had a great deal of fun about going to "Hossbuster" and "Laurel Forks" to fish and we were a little disappointed that we found so few snakes to kill.

We enjoyed the bracing mountain air, the fine water, and the congenial companionship. The scenery is something that will linger with us as long as we live.

We had nine days of pleasant intercourse and of pleasant sight seeing that doesn't come to all every day. We parted reluctantly for all were glad to have been together. All agreed that ours had been the most pleasant mountain trip that any of us had ever enjoyed. A member.

## Not a Drop of Alcohol

What is a "tonic"? A medicine that increases the strength or tone of the whole system. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Name the best "tonic and alterative"? Ayer's Sarsaparilla, the only Sarsaparilla entirely free from alcohol. Ask your own doctor all about it. Never take a medicine doctors cannot endorse. J.C. Ayer Co., Lowell, Mass.

Without daily action of the bowels poisonous products must be absorbed. Then you have impure blood, biliousness, headache. Ask your doctor about Ayer's Pills for constipation.

## WE DON'T CUT THE PRICE!

The extra care and attention we put into the manufacture of our products—such as buying purest and best flavors and mixing the extracts, the buying of good bottles and the seeing to their being clean (each and every one of our bottles is washed, rinsed and sterilized by hand,) the extra, but necessary time and trouble to keep a clean place and furnish a pure drink, is why we maintain the price on our drinks that we do. We could mix our drinks and bottle in a slipshod way and sell to you cheaper, but we ain't going to do it. Another thing:

## ONE PRICE TO ALL

is our motto. The man in Pickens pays the same price for our goods that the man in Central or Pumpkintown does. We don't cut the price to any one, and we don't sell cheaper away from home than we do at home. Another thing: we never misrepresent anything to make a sale.

When you buy and drink our goods you are getting as pure as can be made and at the same price the other man paid. No cut prices in our business.
