

Pickens County Fair.

has interfered materially with the fair program and has also kept the people from coming.

The first day's program had to be almost entirely abandoned and the second day could afford very little that would entertain or amuse the crowd.

The third day is down as amusement day and it is to be hoped that the weather will permit of at least the bigger part of these events being pulled off.

The agricultural and stock exhibits, while not large were fine and some of the individual agricultural exhibits showed many varieties of stuff and much taste and judgement in their display.

ANOTHER MILL.

It is Understood that E. H. Shanklin is Back of Work for Cotton Mill.

There is a strong probability that a third cotton mill will be built in or near Easley at an early date. It is understood that it is now up to the property owners in the city and community to show by their actions whether they want it or not. Mr. E. H. Shanklin, the popular superintendent of the Easley cotton mills is the promoter of the enterprise. He is doing everything in his power to get it up it is said and is meeting with much success so far. Provided he can secure a sufficient amount of local capital, \$100,000, he has the promise of enough northern capital to finish and equip a \$250,000 plant.

The kind of mill he wishes to build will be a duplicate of Glenwood mill, 10,000 spindles and 350 looms. The mill is to be located just a short distance west of where the Easley and Pickens road crosses the Southern railroad. It is an ideal place for a mill both as to location and convenience to the railroad.—Evening Piedmont.

An agreement made and entered into this, the tenth day of September, 1909, between the undersigned shoe dealers of the City of Greenville, and County of Greenville, said State, witnesseth:

That whereas the custom of what is known as sending out shoes on approval, has become so prevalent as to interfere with trade and to handicap business. On account of the great number of shoes sent out to various prospective customers, now wherefore, we the undersigned retail shoe dealers of the City of Greenville, do hereby covenant and agree as follows, to wit:

Deafness Cannot Be Cured

by local applications, as they cannot reach diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. And unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENNEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

It May Be Pneumonia

"A hard chill, pain through the chest, difficult breathing. Then fever, with great prostration." If this should be your experience, send for your doctor. You may have pneumonia! If your doctor cannot come at once, give Ayer's Cherry Pectoral. When he comes, tell him exactly what you have done. Then do as he says. No alcohol in this cough medicine. J. C. Ayer Co., Lowell, Mass.

Keep the bowels in good condition. One of Ayer's Pills at bedtime will cause an increased flow of bile, and produce a gentle laxative effect the day following.

WE DON'T CUT THE PRICE!

The extra care and attention we put into the manufacture of our products—such as buying purest and best flavors and mixing the extracts, the buying of good bottles and the seeing to their being clean (each and every one of our bottles is washed, rinsed and sterilized by hand,) the extra, but necessary time and trouble to keep a clean place and furnish a pure drink, is why we maintain the price on our drinks that we do. We could mix our drinks and bottle in a slipshod way and sell to you cheaper, but we ain't going to do it. Another thing:

ONE PRICE TO ALL

is our motto. The man in Pickens pays the same price for our goods that the man in Central or Pumpkintown does. We don't cut the price to any one, and we don't sell cheaper away from home than we do at home. Another thing: we never misrepresent anything to make a sale.

When you buy and drink our goods you are getting as pure as can be made and at the same price the other man paid. No cut prices in our business.
