LYDIA MILLS PRESBYTERIAN Church, without a building of their own for three years, broke ground for their new edifice February 24 with the building scheduled to be completed in six months. Services were led by Rev. Homer C. Holt, pastor and participated in by a number of guests and members of the church's building committee.

Building Is Started On New Presbyterian Church

Ground-breaking ceremonies were held Sunday, Feb. 24 for a new Lydia Mills Presbyterian Church which should be completed in about six months.

The new church will replace the one destroyed by fire three years ago and is located at the corner of Peachtree and Pine Streets. Ceremonies were held under the direction of Rev. Homer C. Holt, pastor of the church.

Impressive messages were delivered during the ceremonies by Dr. M. A. Macdonald, moderator of the S. C. Presbytery and Synod; George H. Cornelson, vice-president of Lydia Cotton Mills; Rev. R. D. Gregg, pastor of the Lydia Baptist Church and

Rev. Newell C. Bush, pastor of the Lydia Methodist Church.

Horace S. Smith, chairman of the Building Committee, broke the first earth for the new church, followed by Dr. Macdonald, Mr. Cornelson and members of the Building Committee. Approximately 100 people were present for the occasion despite bad weather.

The new building will cost approximately \$53,000 and while a large portion of the funds has been raised, Rev. Holt says that further contributions and gifts will be welcomed to defray the expected indebtedness which the church will have upon completion of the building.

Passing Of Dr. Cornelson Is Recalled Here

(The following item taken from the Southern Textile Bulletin, March, 1928, is being published at the request of Roy Holtzelaw, overseer of spinning at Clinton, and will be of interest to many.—Ed. Note.)

Funeral services for Dr. George H. Cornelson, 58, one of the distinguished Presbyterian ministers of the South, who died suddenly at his home March 5 after an illness of only a few days, were held Thursday at the First Presbyterian Church, Clinton, and interment followed in the Presbyterian cemetery.

Dr. Cornelson served as pastor of the First Presbyterian Church of New Orleans 17 years, but two years ago he resigned this pastorate to become a member of the Home Mission Committee of the Presbytery, continuing to make his home in New Orleans.

He was an honor graduate of Davidson College after which he attended Columbia Seminary, Princeton University and did graduate work in Scotland. He held pastorates in Malvern, Ark.; Concord, N. C.; Aiken, S. C.; Nashville, Tenn. and New Orleans.

As a preacher he was greatly gifted and not only drew a large congregation but held them. He sought the truth and with it only was he satisfied.

Dr. Cornelson married Miss Emma Bailey of Clinton, daughter of the late M. S. Bailey, who with two children survive him. Their

daughter, Miss Rose, is a student at Columbia University and their son, George H., Jr., holds a responsible position with Lydia Mills and is one of the city's popular and esteemed young business men.

In addition to his widow and two children, Dr. Cornelson leaves two sisters, Mrs. M. O. Dantzer and Mrs. J. L. McLees, of Orangeburg and a brother, Dr. C. A. Cornelson of Washington, D. C.

Dr. Cornelson will be greatly missed because as a minister he went about his work and always exemplified his love for the people and fed them unstintingly on the word of God.

HAVE A CIGAR ON-

Mr. and Mrs. Harley Culpepper, Lydia, a daughter, Kathy Louise, Feb. 14. Mrs. Culpepper is the former Ellen Mae Crowell.
