We really appreciated that week off work and I'm speaking for all of them when I say, "Thanks, Mr. Bailey."

## Academy Street Little Leaguers Capture Cup

By Frank Hancock

The Academy Street Little Leaguers from Clinton Mill defeated Thornwell Orphanage 2 to 0 on July 17 to win the city trophy for the second straight year.

Undefeated last year with 21 wins, the Academy Street boys went into their final game needing to win to sew up the trophy, and Thornwell Orphanage was just as determined not to give it to them.

In the second, fourth and seventh innings, bases were loaded for both sides, but neither could score. It rocked on like this until the top of 11th with the bases loaded by a walk, an error and a single. Little 11-year-old Ronnie Brookshire slammed a double off the right centerfield wall to bring in two tallies.

**Much credit goes to Coach Truman Owens for his fine work in building a team of fine ball players. Credit also goes to Luke Fuller and Silas Campbell who took over the team while Truman was at National Guard camp.**

Let's meet the boys who carried us to victory:

Roy Holtzclaw, Clinton Mill, has been a patient at the Columbia Hospital.

Jeff Campbell, Clinton Mill, continues ill at Blalock Clinic.

Anna Burton, Alice Dunaway, Mary Ott's child and Vera Ward, all of Clinton spinning, have been ill.

Aben King, Clinton, spent some time in the hospital . . . Mrs. J. E. Braswell, Clinton, is recovering from an operation . . . Lawrence Kuykendall, Clinton, has been out with an injured shoulder . . . Mrs. Rosa "Granny" Owens is recovering from an operation. She is the mother of Blanche Creswell, Clinton . . . Jim Meadors, Clinton, is recovering from an operation.

Mrs. Dora Whitfield is improving at her home from an operation . . . Frank Walker, Lydia slasher room, is recovering from an operation . . . Claude Parrish, Lydia, is seriously ill in the Anderson hospital . . . Horace Smith, Lydia, was out sick . . . Homer Gallman, Lydia, was ill at home.

Bana Braswell, Clinton, is recuperating from an operation at Hays Hospital.

Ed Dunaway underwent surgery at a Greenville hospital and is recuperating at Hays.

Jolene McGee, Clinton, is recovering from an appendectomy.

Winnie Barnett, Clinton, continues ill.

Mike Yarborough and Don Handback, Clinton, are recuperating from recent illnesses.

On first there is Johnny Hughes who plays that spot as well as he can pitch. On second, little Kinard Littleton amazes everyone with his ability to think like a professional. On third, Terry Campbell and Tony Hooper, both great ball players, take time about in the hot corner.

Jerry Joye and Geary Hancock are on short-stop, depending on who is pitching that day. Hancock was lost to the club most of the season due to a broken shoulder.

Charles Huey, Ronnie Brookshire, Mike Cannon, Jimmy Barker, Duck Dunaway, Pete Cranford and Jimmy Carroll are the outfielders, taking time about roaming the green pastures.

James Turner, catcher, was a wizard behind the plate. With a blistered hand or swollen thumb, he just kept rolling along like old man river. Pitchers were Hughes, Huey, Joye, Cannon and Hancock.

Let's give these boys the pat on the back they so richly deserve, and next season be out there to watch them win their third pennant.

**DOROTHY JEWELL** was a year old July 18. She is the daughter of Mr. and Mrs. Newell Brewington, Clinton Mill.

**LOUIE L. BLACK**, son of Harry Black, Clinton Mill, has completed boot training and now is serving aboard an aircraft tender on the west coast.

## KINDERGARTEN TO OPEN

The Ione Wallace Kindergarten will open for registrations at 9 the morning of September 8. Registration is limited to children of Lydia Mills' employees, ages 3 to 5.

Placed side by side, it would take about 1,600 cotton fibers to equal one inch.
