Stanton Is Top Golfer

Three winning golf tournaments in like years is an enviable record for any golfer. However, for Clinton's Tommy Stanton, thus adding another trophy to his collection is becoming a routine.

Young Stanton, following the footsteps of his father and mother — Bill and Beth Stanton, daily golfing visits to the Lakeside Country Club, are a regular occurrence.

Tommy captured his respective age group division title in the Club's Junior tournament in each of the prior three years.

Shooting at 55-54-47 for 9 holes in three days' play, Stanton again edged out his competitors to capture the third consecutive title.

In addition to golf, this year he was also a member of winning YMCA soccer, basketball, and baseball teams.
