Warehouse

Promotions Announced

Billy Watkins has been named warehouse superintendent in charge of Clinton and Lydia Plant warehousing, succeeding Hall King who retired March 31 from the Lydia warehouse.

Alexander Reeder has been promoted to warehouse and yard foreman at the Lydia plant. Reeder was previously head ware-

houseman at the Clinton plants. He has been employed since July 19, 1959.

Jessie Roberson has been promoted to head warehouseman at the Clinton plants. Jessie, who has been with the company since December 17, 1970, was previously a lift truck operator in the Clinton warehouse.

"I am confident these changes will streng-

then our warehouse operations. These three men have many years experience in cloth handling and cotton storage," stated Director of Plant Engineering Silas Campbell making the announcements. "Their knowledge of warehousing operations will permit us to handle these support functions in a more efficient manner."

Long Named Asst. Superintendent

James W. Long has been promoted from Spooler Technician to Plant No. 2 Assistant Spinning Department Superintendent, Third Shift. Walter Heaton has transferred from the third to the first to fill the vacancy created by Estess Campbell's retirement.

Long, a graduate of Chapin High School, served two years in the U.S. Army with primary service in South Korea.

He has been with the Company for 15 years.
