

TRADE AT HOME

THIS young man, trained to look for "bargains" from pictures, falls for the matrimonial agency bait. For months he courted his future wife from Long Distance with the help of a photograph. The photograph was certainly "easy to look at." The day when he was to meet her could not come too soon. But, alas, what a rude awakening! His prize was a Blank. He didn't know that there are always two sides to a picture, the original and the counterfet. Moral---"Out-of-town" schemers, flirting for your dollars, do not send you the real picture. Real people, real goods, real bargains and real prosperity are found at home.
