Local cotton buyers were offering 21 3/4c per pound for cotton this morning on the local market.

It was that patriotic Lancaster spirit that gave the "Selected Boys" such a rousing send-off Thursday.

Camp Creek Junior Order will have a meeting Saturday, September 22. All members are urged to be present.

There will be preaching at New Hope church Sunday, September 23. Rev. Mr. Hammond will officiate.

S. H. Plyler of Tabernacle section passed through Lancaster Thursday en route to Fennell Infirmary in Rock Hill, where he will have an operation on his foot.

Practically all the stores in Lancaster closed Thursday to allow the employees to go to the train to help give the drafted boys a cheerful send-off.

There will be preaching at Jackson Ebenezer church the first Sunday in October at 11 o'clock. Rev. Yancey Shehane will officiate. The public is cordially invited to attend.

Dr. Cecil Cowan, who has been connected with the Lancaster Pharmacy as prescription druggist, has resigned and accepted a position with a local drug company in Greenville.

County Demonstration Agent R. W. Graeber has arranged to hold several community fairs this year. Elsewhere in a column of The News will be found the dates and places where these fairs are to be held.

John King, who has been working for the Chester News for the past few months, arrived in Lancaster Tuesday, and left today for Clemson College, at Clemson, S. C. Mr. King won the scholarship to Clemson given by the State.

Keith Robbins who is now situated with the Lancaster Pharmacy, has resigned and accepted a position as pharmacist with the Burnett-Witsell Drug Co., in Columbia. Mr. W. C. Cherry of Winston-Salem has succeeded Mr. Robbins.

The fire department had to make a run last night about 8 o'clock to a negro house near the colored cemetery. A lighted lamp fell off the mantle upon the floor and exploded, but the fire was extinguished before the fire truck arrived. It is stated that \$3 or \$4 will cover the loss.

Quite a number of people attended the fall opening at the Lancaster Department Store Wednesday and Thursday. Mr. Driscoll, manager of the Department Store, states that it was the largest and best opening that he has had since he took charge.

Much talk is going on about the necessity of our people eating corn bread. With a record breaking corn crop the people of the United States will not starve to death this year. This does not worry the Lancastrians one bit. Corn muffins, corn cakes, corn pone and well old corn is good any old way right on.

Dr. H. W. Boys will hold the Fourth Quarterly Conference of the Heath Springs charge at Salem church, Heath Springs, on September 30th and October 1st. Preaching at Heath Springs 4 p. m. on September 30th, and at 11:30 o'clock on October 1st. After which Quarterly Conference of the charge will be held. The public is cordially invited to attend these services.

Wednesday the North Carolina Machine Gun company passed through Lancaster. These boys were in three extra cars attached to the regular train which arrives in Lancaster at 1:35 o'clock, which was a double-header. They belonged to the selective draft, and were on their way to Columbia to go in training.

Corporal A. E. Belleville of the U. S. Recruiting Station at Rock Hill, is in the city today enlisting the negroes as stevedores to be stationed at Columbia. It is said that a good many negroes have enlisted.

Albert Tinsley, who has been auditor for Leroy Springs and Co., has resigned and accepted a position with the war department in cost accounting work. Mr. Tinsley will report on October the 1st to receive his assignment for duty, as he states that he does not know where he will be stationed. Lancaster regrets to lose Mr. Tinsley and his family, but wish him good luck in his future work.

SOCIAL NEWS.

A Knitting Party was held in Mackey's Hall on Thursday afternoon for the benefit of the Red Cross. There were about fifty ladies and children present and as each gave a silver offering \$11 was realized. This was a delightful affair in which good knitters, poor knitters and just no knitters at all, participated. However, every one tried and we predict piles of sweaters, socks, etc. wherever the novices will be able to show quite a number of the necessary articles. Coffee, sandwiches, cheese-straws and cake was served.

On Thursday afternoon at seven o'clock Henry Chester Pardue and Miss Effie Jane Lingle, daughter of Mr. and Mrs. E. B. Lingle were united in marriage. The wedding was quiet and unostentatious, just a few intimate friends and relatives being present. After the ceremony by Dr. J. H. Thayer, ice cream and wafers were served. The bride wore a traveling suit of taupe with hat and shoes to match. The bride is a most

lovable and pretty young woman, who is deservedly popular. Mr. Pardue is in the postoffice service and is the only child of Mr. and Mrs. W. E. Pardue. He is very successful in his career and we predict a happy future for the young couple.

**Prefers Buckeye Hulls
because they are cheaper**

Mr. John A. May, Sheriff of Houston County, Dothan, Ala., says that Buckeye Hulls are cheaper than old style because they are all hulls and no lint, and because they cost him much less per ton. This explains in few words the unusual economy of using

You pay less for them and you get more roughage to the ton. For the amount of money you may now be spending for old style hulls you can get much more roughage in the form of Buckeye Hulls and it will be better roughage too. Buckeye Hulls are not only lintless but they are clean and free of trash and dust. The minute you buy and feed Buckeye Hulls you realize how much more economical they are. Try a ton.

To secure the best results and to develop the enilage odor, wet the hulls thoroughly twelve hours before feeding. It is easy to do this by wetting them down night and morning for the next feeding. If at any time this cannot be done, wet down at least thirty minutes. If you prefer to feed the hulls dry, use only half as much by bulk as of old style hulls.

Book of Mixed Feeds Free

Gives the right formula for every combination of feeds used in the South. Tells how much to feed for maintenance, for milk, for fattening, for work. Describes Buckeye Hulls and gives directions for storing properly. Send for your copy to nearest mill.

Not Developed.
Four-year-old Walter had permission from his mother to make a short call on his neighbors. This is what he reported on his return home: "Mamma, they have one child and a baby that isn't a child yet."

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or impaired hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c.
