

They're To Fight For Us

American Soldiers are being trained to fight for our defense and for our liberty---for world-democracy and peace.

It is necessary to feed and equip them and it is up to those of us at home to lend a helping hand to the government.

A patriotic duty is before you---an opportunity to be of service to your government in a great crisis and to help

WIN THE WAR

Liberty Bonds are in denominations of \$50 and multiples of \$50. Buy as many as you possibly can---and Do It Now.

The crops this year place the farmers in a position to invest in a safe security without a "pinch" and the banks of Lancaster urge them to put every dollar possible in Liberty Bonds. Your patriotic duty demands it.

Our boys who have gone to the front waited for no one---Don't wait for the "other fellow" to back them up.
