Removal.

The Pennsylvania Company
FOR

Insurance on lives, and granting annuities. HAVE removed their office, from No. 72, South Second, to No. 173 Chestnut street, opposite to the State House, where they continue to MAKE INSURANCES, by Sea and Land; Grant Annuities and Endowments; and generally make all kinds of contracts in which the casualty of life is concerned, on the most reasonable and equitable terms. The following is a brief exposition of some of the advantages which may be obtained by contracts with this Company.

BY INSURANCE,

A man aged 27 years, may secure 1000 dollars to be paid to his family at his decease, for the consideration of 17 dollars and 50 cents, if it shall happen within one year, and a proportionate rate will be charged on other ages, and for other periods.

BY AN ANNUITY,

A person aged 62, may secure himself an income of 12 per cent. per annum. One of 69 years 15 per cent. or if aged 75 years, 20 per cent. per annum during life. If the receipt of the Annuity is deferred for any time, the annuity will be increased; thus if the annuity was deferred 10 years, a person aged 60 would receive 42 per cent. per annum during life, after attaining the age of 70 years, for any sums he might choose to deposit with the Company. Deferred Annuities will also be granted for the consideration of an annual payment to be made to the Company, during the time it is deferred: thus a person aged 21, paying 10 dollars per annum till the age of 60, will receive an Annuity of 270 dollars per annum, during the remainder of his life.

BY ENDOWMENTS,

The sum of 1000 dollars, or an Annuity of 68 dollars and 40 cents will be secured to a child just born; for the payment of 157 dollars in a gross sum, or an annual payment of 22 dollars and 35 cents, during that interval; or by continuing such payment until the age of 50, it will receive \$10,061 in a gross sum or 932 dollars per annum, during the remainder of his life.

The above is intended as a mere sketch—and sums and ages are assumed for the purpose of example; but contracts will be made for any other sums and ages; and for any possible combination of circumstances, in which the casualty of his life may be in any way involved.

Application to be made at the office at any time between 9 o'clock A. M. and 3 P. M. where a prospectus of the Institution will be distributed gratis, and any further information given.

Letters post paid will be duly attended to.
