NEW ADVERTISEMENT.

IMPORTANT TO MERCHANTS, FARMERS AND PLANTERS

We have been informed that the usual practice of Merchants, Farmers and Planters in ordering their supplies of our

Dr. McLane's Celebrated Vermifuge

Has been to simply write or order Vermifuge. The consequence is that instead of the

Dr. McLane's Celebrated Vermifuge, they very frequently get one or other of the many worthless

preparations called Vermifuge now before the public. We therefore beg leave to urge

the Farmer the propriety and importance of invariably writing the name in full and of advising

their factors or agents that they will not receive any other than the genuine Dr. McLANE'S

CELEBRATED VERMIFUGE, prepared by FLEMING BROS., PITTSBURGH, PA.

We would also advise the same precautions in ordering Dr. McLANE'S CELEBRATED

LIVER PILLS, the great popularity of these pills as a specific or cure for LIVER COM

PLAINT and all the Bilious Derangements so prevalent in the South and South West has

induced the vendors of many worthless nostrums to claim for their preparations similar medicinal virtues

to those possessed by Dr. McLANE'S CELEBRATED LIVER PILLS, the original and only reliable remedy

for Liver Complaint that has not been discovered, and we urge the Farmer and Merchant to be vigilant

in watching the brands of their supplies, and to be particular in ordering such reliable Vermifuge

for Liver Pills, unless you are sure you are getting the genuine McLANE'S, prepared by

FLEMING BROS., PITTSBURGH, PA.

DR. McLANE'S

CELEBRATED LIVER PILLS,

FOR THE CURE OF

Hepatic or Liver Complaint, Dyspepsia, and Sick Headache.

In referring to the public Dr. McLANE'S CELEBRATED LIVER PILLS, as a remedy for LIVER and

BILIOUS COMPLAINTS, it is to be understood that they will be needed. The great prevalence of LIVER

COMPLAINT and BILIOUS AFFECTIONS OF ALL KINDS throughout the United States, and particularly

in the West and South, is a sufficient proof of the fact that the patient is not within the reach of a regular

physician, and that he is obliged to procure the best that can be procured in the country. It is the

fact that the patient is not within the reach of a regular physician, and that he is obliged to procure

the best that can be procured in the country. It is the fact that the patient is not within the reach of a

regular physician, and that he is obliged to procure the best that can be procured in the country.
