ROSDALIS
THE GREAT
HEALTH RESTORER,
purifies the blood and cures Scrofula, Syphilis, Skin Diseases, Rheumatism, Diseases of Women, and all Chronic Affections of the Blood, Liver and Kidneys. Recommended by the Medical Faculty and many thousands of our best citizens.
Read the testimony of Physicians and patients who have used Rosdalis; send for our Rosdalis Guide to Health Book, or Almanac, which we publish for gratuitous distribution; it will give you much valuable information.
Dr. W. Carr, of Baltimore, says: "I take pleasure in recommending your Rosdalis as a very powerful alternative. I have seen it used in two cases with happy results—one in a case of secondary syphilis, in which the patient pronounced himself cured after having taken five bottles of your medicine. The other is a case of scrofula of long standing, which is rapidly improving under its use, and the indications are that the patient will soon recover. I have carefully examined the formula by which your Rosdalis is made, and find it an excellent compound of alternative ingredients."
Dr. Sparks, of Nicholasville, Ky., says he has used Rosdalis in cases of scrofula and Secondary Syphilis with satisfactory results—as a cleanser of the Blood I know no better remedy.
Benjamin Bechtel, of Lima, Ohio, writes: "I have suffered for twenty years with an inveterate eruption over my whole body; at last, however, I purchased a bottle of Rosdalis and it effected a perfect cure."
Rosdalis is sold by all druggists. Laboratory, 61 Exchange Place, Baltimore.

"Sec. 4. The business of the company SHALL be conducted on the plan of DISTRIBUTING TO THE POLICY-HOLDERS THE PROFITS IN NON-PARTICIPATING."
"Sec. 15. This company may issue policies on the lives of husbands and parents, or others, for the benefit of wives and families, or other beneficiaries interested in their lives—as ancestors, descendants, creditors or debtors, and the same shall not be liable for the debts or contracts of the assured, except as provided in the policies issued."
"Sec. 16. The company may issue policies payable IN GOLD: Provided, Premiums are paid in the same."
"Sec. 10. The permanent investment of funds shall be in mortgages or liens on UN-ENCUMBERED REAL ESTATE WORTH DOUBLE THE AMOUNT LOANED."
We would also call attention to the rights secured in policy as part of the contract. Rights of party to non-forfeiture in all its policies.
Rights of party to reinstatement—paid up policy, and surrender value where "intervention of arms" or any other cause cuts the insured off from home office. This feature, omitted in policies of Northern companies, cost the Southern people very heavily in the late war, and should make them seek the only company that provides against such contingency in future. Some companies now have in their policies, that parties who "take up arms against" certain named States, "or the United States," render their policy null and void. This is making certain what was before uncertain, and is too great a mingling of politics, war and life insurance.
"THE PIEDMONT AND ARLINGTON" has a model charter and model policy, plainly state rights of parties and guarding those rights against non-forfeiture.
It gives dividends at the end of the first year, when all cash is paid, and of second year, when part loan is taken. The all cash plan is unreservedly recommended as in every way most satisfactory.
We have confidently appeal to every one interested in Southern property to look to their own interests, by sustaining their own institutions, and thereby establishing that self confidence without which there can be no permanent prosperity. Bear in mind that already over \$10,000,000 are annually sent North for Life Insurance, taking so much from our streets, and thereby giving additional power to our competitors.
We offer a solid, reliable Life Insurance Company, thoroughly Southern, in the hands of men of the highest integrity, with abundant assets, recent risks, the most secure of all investments, pledged to retain within the State of South Carolina all funds accruing therein, and, indeed, presenting every advantage that can be desired; and we only ask a full EXURANCE COMPANY to insure your person.
The Company has complied with the law of the State, requiring a deposit of \$50,000 in State bonds, with the State Comptroller, for the better protection of policy holders.

THE symptoms of liver complaint are unusual weakness and pain in the side. Sometimes the pain is in the shoulder, and is mistaken for rheumatism. The stomach is affected with loss of appetite and sickness, bowels general constive, sometimes alternating with lax. The head is troubled with pain, and dull, heavy sensation, considerable loss of memory, accompanied with painful sensation of having left undone something which ought to have been done. Often complaining of weakness, and low spirits. Sometimes, some of the above symptoms attend the disease, and at other times very few of them; but the Liver is generally the organ most involved. Cure the Liver with
