OBITUARY.

Died, on the 21st of June last, Mrs. Louisa Ann, wife of Capt. James H. Waddell, aged 32

parents of her husband. No daughter could have recognised the obligation more clearly, or have performed its duties with more patience or untiring attention. Two small children, her sadly-bereaved husband, and these aged parents all feel that their light has gone out, and that the spring of their domestic enjoyment is dried up. Mrs. Waddell added to an amiable and extremely kind disposition that mighty auxiliary, whose help is never invoked in vain amid the cares and perplexities of life, true thistian piety. She was a member of the Baptist church, and died as she lived, a good christian woman.

The community, relatives and friends freely accorded to her all that we have here said; nay, more, if it were necessary to record more; and all freely pour out the sympathy of their hearts with those who feel most under this dispensation of Providence. May He who "tempers the wind to the shorn lamb" add his sanctifying blessings to this sad affliction.

L. A. GREEN has just returned to his Daguer rean Rooms, on Church Street, and is prepared to take AMBROTYPES, or pictures on glass - a new feature in the Dagoerrean art-in the most approved style. They are taken in a moment of time, wlear or cloudy, carly or late. The impression is tasperishable, not affected by water, light, or the touch. They are far superior to Daguerreotypes. Call and see them. I will remain in town some two or three weeks longer, and if any one wishes to LIVER COMPLAINT.

The only remedy ever offered to the public that has never failed to cure, when directions are followed, is M'Lane's Liver Pill, prepared by Flem-ing Bros., Pittsburgh, Pa. It has been several years before the public, and has been introduced in all sections of the Union. Where it has been used, it has had the most triumphant success, and has ac-tually driven out of use all other medicines. It has

been tried under all the different phases of Hepatis, and has been found equally efficacious in all. Purchasers will be careful to ask for DR M'LANE'S CELEBRATED LIVER PILLS. manufactured by FLEMING BROS. of PITTS-

More than one thousand persons have been cured by Carter's Spanish Mixture, after accounting class and signally failed. As a sample everything else had signally failed. FOR DYSPERIA, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the hearthurn, bodyburn, and southurn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For Scropula, Erystpelas, and all Diseases FOR SCROPULA, ERYSIPELAS, and all Diseases of the Shin, take the Fills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Fills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Fatients' your duty to society for 5.52 that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

of the unclean diseases of the skin, because your system wants cleansing.

To PURIFY THE BLOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good is preventing sickness as by the remarkable cures which they are making every where. the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, and all Billious Affections, arise from some derangement—either torpidity, congestion, or obstructions of the Liver Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrons to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the dust which empties the bile into the stomach causes the bile to everflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhees, preweis.

into the blood. This produces Jaundiee, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrheze, preveils. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow, the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhoza, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

RHEUNATISM, GOUT, and all Inflammatory Fevers, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred compleints they should be taken in mild doses, to move the bowels gently, but freely.

As a DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to the purpose for which a dinner pill is employed.
