### Ambrotypins.

L. A. GREEN has just returned to his Daguer rean Rooms, on Church Street, and is propared to take AMBROTYPES, or pictures on glass-a new feature in the Daguerreau art-in the most approved style. They are taken in a moment of time. clear or cloudy, early or late. The impression is imperishable, not affected by water, light, or the touch. They are far superior to Daguerreotypes. Call and see them. I will remain in town some two or three weeks longer, and if any one wishes to earn the new art, I can learn them much quicker than Daguerreotyping. DR. M'LANE'S CELEBRATED VERMIFUGE. Prepared by Fleming Bros., of Pittsburgh.

NEW YORK, March 19, 1852. for almost four years with a choking sensation, sometimes so bad as almost to suffocate me; I employed two regular physicians, but to no purpose. I was then persuaded to try a bottle of Dr. M'Lane's Celebrated Vermituge, prepared by Fleming Bros. Pittsburgh. I took two teaspoonsful at one dose It soon began to operate, when it made thorough work. (I had a regular worm tactory within me.) I should judge it brought away from me some two quarts of worms; they had the appearance of having bursted. I took the remainder of the bottle at two doses. The effect was, it brought away about one quart more, all chopped to pieces. I now feel like different person.

The above is from a widow lady, forty six years of age, resident of this city. For further partieuclare, the public are referred to Mrs. Hardie, No. 3 Manhattan place, or to E. L. Theall, Druggist, corner of Rutger and Monroe streets.

Rogers' Liverwort & Tar FOR THE COMPLETE CURE OF COUGHS, COLDS, IMPLOENZA, ASTIMA, BRONCHITIS, SPIT-TING OF BLOOD, & ALL OTHER LUNG COM-

This preparation is getting into use all over our Country. The numerous letters we receive from our various agents, informing us of cures effected in their immediate neighborhoods, warrant us in saying it is one of the best, if not the very best Cough Medicino m.w before the public. It almost invariably relieves and not unfrequently cures the very worst cases. When all other Cough preparations have failed, this has relieved the patient, as Druggists, dealers in Medicines, and Physicians can testify. Ask the Agent in your nearest town, what has been his experience of the effects of this medicine. If he has been selfing it for any length of time he will tell you.
