"I am happy to say of your Carrantic Pills, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and colincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854:
"Dr. J. C. Avar.—Sir: I have taken your Pills with groat benefit, for the listlessness, languar, loss of appetite, and Billous headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used you. "Derry Pectoral many years in my family for coughs and colds with unfailing success. The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:

"Having used your Cathartic Filip in my practice, I certify from experience that they are an invaluable purgative. In cases of disordered finetimes of the liver, causing headache, indigestion, contiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required. I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, an, periectly safe—qualities which make them an invaluable article for public use. I have for many years known your Cherry Pecteral as the best Cough medicine in the world; and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

"Sir: I have great satisfaction in assuring you that myself and family have been very much berefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your Charast Pectoral, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influence and Croup by it. It is an invaluable remedy for these complaints. Your Catharnic Pills have entirely cured me from a dyspepsia and contiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the num-rous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not unmindful of it.

"Dr. J. C. Ayer — Honoped Sir: I have made a thorough trial of the Carnaavie Fills, left me by your sgent, and have been cured by them of the dreadful Rheumatism ender which he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I stribute entirely to the effects of your Cathartic Pills. Yours with great respect, LUCIUS B. METCALE."

Dear Sir: I send you this to certify to you that your extract of Yellow-Dock and Sarsaparills has performed one of the most wonderful cures on me that has ever been effected on man.

I have been afflicted for forty years with cruptions on my legs and feet, in 1848 they got so bad that I had o go on crutches, and in 1849 I had one leg amputated above the knee. In about nine months after my other leg broke out in large eating and running sores from my knee to my foot, and discharged a great deal of offensive matter. My groin also broke out in large biles, which discharged much offensive matter, and at the same

charged much offensive matter, and at the same time my left hand broke out in large running sores

The misery that I have suffered for the last two years I cannot describe to you. I was in such a you that I never rested day or night. In October last my son brought me one of your bottle wrappers; I read it, and found record 1 some bottle wrappers; I read it, and found record I some wonderful cures performed by your "Extract of Yellow Dock and Sarsaparilla," I sent and got two bottles of it, and commenced taking it. In two weeks, to my great astonishment, my sores all became casy, and I could sleep all night, a thing I had not done for two years. When I had taken six bottles, my sores had nearly all healed. My so es got well as if by enchantment. I have now used in all eight bottles of your "Extraot of Yel-low Dock and Sarsaparilla," and I now consider
