"Ohl breathe not his name, let it sleep in the shade, Where cold and unhonored his relies are laid." WANTED for immediate use, Col. Themson's Auderson, and Col. Knuckles' Sam, or any two stout and active Negroes who wear No. 15 Brogans, to rowe the Black Republican Candidate Fremont up Salt River. It is said that the arch fiend has been roaming about this world, since the fall of man, stirring up strife and contention. And so with this infernal scamp. He has sown the seed of discord and bitterness, which will produce their fruits, long after he has gone to his final account But the Democrats have given him particular jessie according to telegraphic report. And al-though we feel exultant, and would give a few good Indian yells if we were quite certain, we never tike to halloo before we get out of the woods. We want our hands to rowe him so far up Salt River, the he may be like Lot's wife, turned into a pillar en set, and thus remain until Saran is chained, for one Devil is enough at a time in this world! And now as the winter of our discontent is passed, and a glorious summer of prosperity is at hand, we hope the people will remember, that although we have sold several thousand dollars' worth of

Goods since we received our stock, we have yet on hand a very complete assortment of Goods. We have received since our last advertisement, some fashionable HATS & CAPS; also some boautiful Caps for children; WOOLEN HOODS for Misses, a neat and comfortable article. to keep up with the times, and in few days we shall receive an entire fresh assort

VALUABLE LAND FOR SALE. A GOOD LOCATION FOR A PHYSICIAN.

I am offering 167 acres of Blackstock Road, for sale, situated on Blackstock Road, 11 miles south of Spartanburg C. H., building purposes; is well watered, and has an abun-dance of timber of almost every description—all in woods except 25 acres, which is fresh and in cultivation. Has some 10 or 15 acres of bottom (in wood;) has a front of nearly a half a mile on the road; also some improvements begun—one log house up, and others in progress—and a fine Spring some 250 yards distant. In addition to this, it is a very public place, and as good a location for a Physician as the country affords. The opening is large, affords plenty of practice, and the pay generally good. I will sell the land and relinquish my claims as a Physician for \$2,000, or I will take \$1,700 for the Land as it is, and retain my claims to the location. I would be glad to sell before sowing wheat. Terms easy. G. II, KNG.
