Ague Cure, FOR THE SPEEDY CURE OF

Intermittent Fever, or Pever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache, or Bilious Hendache, and Bilious Fevers, indeed for the whole class of diseases originating in biliary derangement, caused by the Malaria of miasmatic countries.

No one remedy is louder called for by the necessities of the American people than a sure and safe cure for Fever and Ague. Such we are now enabled to offer, with a perfect cortainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quan-

That which protects from or prevents this disorder must be of immende service in the communities where it prevails. Proceeding is better than cure, for the palient ocapes the risk which he must run in volent attacks of this baleful distemper. This Care expels the miasmatic poison of Freen and Agre from the system and prevents the development of the disease, if taken the first approach of its premonitory suptoms. It is not only the best remedy every to discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of every body; and in bilious districts, where Fever and Ague prevails, every body should have it cheapest. The large quality we supply for a dollar brings it within the reach of every body; and in bilious districts, where Feven and Ague prevails, every body should have it and use it freely both for cure and protection.

Certificates of packages the a ove Scheme will be sold at the following rates, thich is the risk:

Certificate of package of 26 whole It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is, that it contains no Quinine or mineral, consequently it pro-duces no quinism or other injurious effects whatever upon the constitution. by it are left as healthy as if they had never

had the disease. Fever and Ague is not alone the consequence rever and Aguers not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are Neuralgia, Rheumatism, Gout, Headache, Bilindaess, Toothache, Earache, Catarth, Asth-ma, Palpitarion, Painful Affection of the Spleus, Hysteries, Pain in the Bowels, Colic, Paralysis, and Derangement of the Stomach, Paralysis, and Derangement of the Stomach, all of which, when originating in this cause, but on the intermittent type, or become periodial. This "Cunn" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons traveling or temporarily siding in the malarious districts. If taken accasionally or doily while exposed to the inconsistently or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in afficient quantity to ripen into discase. Honce it is even more valuable for protection than can and few will ever suffer from Internations, if they avail themselves of the protection this remedy af-
