Sunter Guards .- Killed - Isans Valentine, Augustus Poenaski.

Mounded Hortz Valentine, Harry Neville,
und E. Evans.

The battle this morning was prenounced by

Our loss is heavier than at first reported. including several valuable company officers. A portion of the cromy's force fought most golfantly. The 47th New York Highlanders assumited our batteries with cupty nur-kets They fought obstinately and retired, leaving fity dead in ditches, and carrying off their counted. The enemy's gunboats and hard batteries co-operated in the attack. The ene-my's loss is about four hundred in killed.

RIGHMOND, June 15.—The force with which fiest. Stuart accomplished his brilliant reconsisting of the let and Out Virginia cavalry. Jeff. Davis Legion of cavalry. Cebb's Legion, and three pieces Stuart's Artillery. The expedition left Taylorsville Frida chorning, routed a squadron of Yankee cavalry at Ohi Church, and expuneed and burnt three Federal transports at Putney's mills, on the Pamurkey River, leaded with commissary and ordinance storgs. He thence proceeded to Tunistall's, on the York River Radioad, captured a number of Yankees, and fired into and riddled of Ynakees, and fired into and riddled a train of tankees, and fired into and riddled a train of cars. The engineer, who was killed, fell off the engine after putting on a full head of steam. The train dashed on towards the Pamunkey River, near Taylorsville. He also captured and burnt one hundred wagons, load. ed with commissary stores, and returned to Richmond this morning, bringing three hun-dred numes and horses,

### The Enemy's Designsupon Chattanooga---Its Danger.

On yesterday, in announcing the that the enemy had retired from before Chat-We are now satisfied as to his designs. will soon be made to capture that city. The they fixed the cannon, and withstood the hallority, we learn that the enemy are enemped some eighteen miles below Chattanooga, on the opposite side of the river—the forces that attacked that city on Saturday and Sunday last having fallen back that far. That force is now eng god in sawing lum ber, and appear to be working as though they were making flatboats. With them is a gunbout, some two and a half miles below their present encemment. It is a Bathout, with stationary power but on for propelling it, and has three pieces of can ion on board. The object of this craft, such are his preparations for anoth vance upon Chattanooga.

Smith is in command, in person, of our forces at Chattanooga, and that great confidence is reposed in him, and his abilithat city. The citizens as well as the military there are determined not to surrender the city, but to held on to it, let the enemy shell it as much as they please -a patriotic and gallant determination, which, we trust, will result in the defeat of the enemy's designs.

But should Mitchell be largely reinfor cod-should he bring to bear on Chartanooga more than one gunboat-should he succeed in gotting possession of the citywhat will be the situation of Georgia? We pass by Georgia's being cut off from supplies of salt, coal, provisions and the obfrom the raids of the enemy.

Our mountain country will become pas ture fields for the enemy to feed upon, and Atlanta, as he is an enemy trying to sublugate us. This can, as we before intim ated, only be prevented by the organiza sted, only be prevented by the organism since, bravely longer. During the Mexican wir, it must come from the milita of the State of the bars and stern. During the Mexican wir, no p ivers for such he was, evinced more dar Our people must prepare for this they between the City of Vera Crue and Mexico, he must get ready. The Governor will have performed a feat, that should perpetuate his of the State to organize and be ready for commanded, entirely by Mexican Artiflery, the chair. It being ascertained that Mrs. Dr. the field. We are no plarmist, and have and, upon which, was left a battery, of the Unit L. C. Kennedy owing to ill health, was unable no desire to create excitoment among the ted States, he, with three others, volunteered unin peril, should Chattanooga fall into the was made and glariously performed. For it he dent be held at the next regular meeting. Frithe watch-tower," we therefore, with the command. After that struggle was over, he re- to attend, he requested to send their votes to the kanta Intelligencer, 11th.

# Morgan in Nash Ville.

shal immedia ely ordered out a large torge for his capture. The house was surrounded in such a manner as to render his escape impossible, and the offcer who had charge of the expedition, feeling secure of his game, demanded, with some show of politeness, that the notorious John II. Morgan should be brought out and delivered up to the Lederal force quietly, in order to avoid

## The Carolina Spartan. SPARFANIE UBUR Thursday, June 19, 1862.

THE SPARTANDURG EXPRESS, We regret the suspension of our Cotomporagother. But we ask is this right; does a paper not give character to the District and, is it not a valuable advertising medium, if deficient in all other qualities. While our news columns are a little vapid and flat to the reader of our daily publications, in local interest we Pickens, has been received too late for publicertainty, can claim equality if not pre emi- cation. We have no objection to the nomina But whether interesting or not at this bloody juncture in our history, we trust, and would appeal to our friends and the Dis- sible position four years ago. If he should be trict not to incur the shame of suffering every newspaper light to go out for the want, of interfere and quintuple blin. patrousge. Every person conceives that he has some nable virtues, some of the characteristics of Cuzar, even if it is an honorable ambition. So think we, and so feel we in reference to the "Sparta," and betice presume to solicit an extended circulation through our

To the Aferna Hon OF THE 36th REGIME T NOT NOW IN SERVICE.

I desire to muster in a few more recenits for empany K., Lasson Fock Volunteers, 5th S. C. Regiment, and I call upon you to come forward and fill up its ranks. You all are well aware that those of

tween the ages of 18 and 35 will have to go shortly into service at the camp of Instruction, where you will be among strangers and compunies with whom you will have no acquaintance or interest. Can you prefer to go there, under pressure, to going, with me as Volunteers, to the company, in which, your neighbors and old school mates are resisting manfully, the vile invaders of our soil? Henceforward: we will fill up our companies, not with Volunteers, but with conscripts, and for this reason I say to you, that this is your last chance to Volunteer. New, Right Now, you and return at 7, 30 P. M. On the other days of have to choose between this camp of Instructhe week, they will leave at 2.15 A. M., and tion and this old company, in which, by friendship, kindred or association, you are all inter-

Come young men and let us go cheerfully to the field, where our old companies are protecting our homes, punishing the hated invaders of our soil and the would be destroyers of our existence as a people, and as patriots dare or as martyrs die for our persecuted

The dilemma is before you: to one or the other you must and will go. If you prefer the former -if you had rather go among strangers nd under military pressure to where you can ever be satisfied, and lef slip this your golden opportunity -then remember what I say, you will recret the choice thus made to the latest breath of your lives. It is best that you should hetween the ages liable under the act of Con- be with us, best for yourselves, best for your children and kindred, best for your names bereafter, and more than all, it is best for our deer country that you should be with us .-This you know and cannot deny. If you have hearts, then, ready to share the toils and pribut the rolls are now complete, and have been vations which so many of your countrymen turned over to the Confederate officer, from cheerfully endure, and be "men who know which, we suppose, the Conscripts will be [your] rights and knowing dare maintain ein," you cannot fail to respond to this call

The last fork in the road is now before you e or the other you must take-if you take the right, which is smooth and plainly mark ed, it will lead to fame and an easy conscience; but if the other to shame and trouble within yourselves and to a just suspicion on the part of others. It is, however, for you to decide ; it is not, I wish it were, in my power to choose for you, but, remember, whatever you do

All, therefore, who may desire to go wit our common country. The most of them being seems that a large number were confined at me, must be at Spartanburg Depot, ready to the Fair Grounds, when they revolted, over take the cars for Richmond on MONDAY powered the guard, and were only secured by MORNING NEXT, while these who have the prompt arrival of a Dalaware regime at stready been unstered into service, must not
