## INDIDIDICIR A PRINC THE LATEST FROM CHARLESTON.

#### be Southern Gu BATTLE ON JAMES ISLAND.

CHARLEBYON, June 16. look place this murning a miles from the city. T are indices from the second se liery, and again formed a more again, repulsed v to lank the battery, but were not, when we advanced in pur is works killing and explicing rietory is complete. Our loss i vis complete. Our loss is enty wounded. Charleston ops werschiefly sugaged The enemy'slows, wei rel scentained, but was ce tamly sever-hundred in killed, wounded and prisoners, batch of thirty prisoners have just been ht to the bit

Killed -Cept. Gwin, of Lamar's Artillery, ad Lieut, Gircon of the Washington Light animity, Wounded-Col. Lamar, badly, and any others.

Guards .- Killed - Isans Vatentins, tus Posnaski, inded-flerts Valentine, Harry Neville,

and E. Erans. The battle this morning was pronounced by one generals to have been a most desperate one. Our loss is heavier than at first reported, including several valuable company officers. A portion of the erromy's force fought most gallantly. The 47th New York Highlanders resouted war batteries with empty nurkets They fought obvioately and retired, leaving fity dead in ditches, and carrying off their woundel. The enemy's guabouts and hard hattaries to operated in the stack. The ene-my's loss is about four hundred in killed. wounded and captured. ded and captured.

RICHNOND, June 15 .- The force with which Bicraworn, June 15... The force with which liett, Bruart accountished his brilliant recom-noisence consisting of the lat and 9th Virginia cavalyr, Jeff, Davis' Legion of eavalry. Colb's Legion, and three pieces Stuert's Artillery. The expedition left Taylorsville Fridas florn-ing, routed a squadron of Tankee Cavalry at Old Church, and explored and burnt three Fed-e al transports at Futney's unlife, on the Eam-unkey River, loaded with commissary and ord-mance stores. He cheace proceeded to Tim-stal's, on the York River Rullford, explared a number of Yankees, and fired into and riddled a train florars. The engineer, who was killed train of cars. The engineer, who was killed. I off the engine after putting on a full head fateam. The train dished on towards the mkey River, near Taylorsville. He also captured and burnt one hundred wagons, load-ed with commissary stores, and returned to Ridhmond this morning, bringing three hun-dred mules and horses.

### The Enemy's Designsupon Chat-

tanooga---Its Danger. On yesterday, in announcing the fact that the enemy had rotired from before Chat-, we expressed a doubt as to his funire designs upon that important point. We are now satisfied as to his designs. The attempt, and a formidable one it will be, the South. Unflinching, breachy and heroically, and they refuse them as masters. will soon be made to capture that city. The The they faced the ennon, and withstood the hall evidence is beforens: From the best ority, we learn that the memy are one ed some eighteen niles below Chattan

torm of murketry and smell arms. conquer was their purpose, to die d some eighteetimiles below Unattanooge, in the opposite side of the river the for-ies that attacked that eity on Saturday and Sunday last having fallen back that far. their determination, rather than, the Yanker lag should flap responsively to the victorious shouts of the multitudes, that encompassed, definantly, the beautiful City of Richmond. That force is now eng goil in sawing has ber, and appear to be working as though In leaving the quiet scenes of home they paused not to cousi ler the painful trial. They they were making flatboats. With them. s a gunboat, some two and a half miles bedisregarded at the notes of the war-trump, or low their present encempment. It is a closed their cars to the inviting strains of flatboat, with stationary power but on for propelling it, and has three pieces of can mertial music. At the first sound of the battle my, they rallied to the standard of their Se on board. The object of this craft. loved South and, upon the "wings of the wind," doubtloss, being to tow flats under cover of bastened to her reserve. With them no cause its gaus, in crossing the tiver with troops. of delay prevailed. Young, active, vigorous, Such is the position now of the enemy, and such are his preparations for another adpurroug, they sinved not to listen, to the ance upon Chattanooga. We are also advised that Gen. Kirby dushed into the fray, and, boldly, met the Smith is in command, in person, of our foreces at Chattanooga, and that great coonfidence is reposed in him, and his abilienemy who slew them. Some of of them went from under the shadow of the monument that. marks the b. ttle ground of the Gowpens; others ty, with his forces, to defend successfully from points, so near, as to outch inspiration that city. The citizens as well as the from the ensanguled plains of the Cedar Springe. military there are determined not to surrender the city, but to hold on to it, let the enemy shell it as much as they please ---patriotic and gallant determination, which, harous we, as a people, exp ceted much; from them as Spartans, we are enabled to gather the cnewy's designs. " But should Mitchell be largely reinfor berole gavland, for the adornment of our Dizriet brow. cod-should he bring to bear on Chatta Aside from these young heroes, it becomes nooga more than one gunboat-should he our painful duty to speak of Captain J. Q. Carpenter, from the neighborhood of the Lime succeed in gotting possession of the city-what will be the situation of Georgia?
