The 13th and 14th days will be for the Villagers and Country people—taking the name, alphabetically on the Books, and if all who apply cannot pay-their Taxes by that time or make their returns, I will continue to collect on the following Monday; but none need attend on Monday who have not attended on some of the before named days. My Books must certainly close at that time. And Executions will certainly be issued after that time. I see no need of waiting or extending time to those who never expect to return or pay-but to those who intend to return and pay, or return and have a Single Tax Execution issued against them, the above named time is extended.
