To the citizens of S. Carolina.

PETER'S Vegetable Anti-Bilious PILLS have been so long renowned for the purposes mentioned beneath, that they are now justly held in the highest estimation even in the most remote regions to which the genius of American commerce has penetrated. The fact is best proved by the

IMMENSE PATRONAGE that they enjoy in all directions; which patronage is increasing to such an extent that it is with great difficulty as to supply the demand for the manufacture itself; that the proprietor can supply orders.

Certain persons dissatisfied by their great success, have been so base as to counterfeit PETER'S PILLS; and are endeavoring to palm their vicious compounds upon the public, in various parts of the world, as the

GENUINE ARTICLE! and thereby many valuable lives are jeopardized in order to put money in the pockets of a pack of

ATROCIOUS VILLAINS! In order to remedy this glaring and desperate imposition the purchaser MUST take special care to look for the **PAC SIMILE** of the

PROPRIETOR'S SIGNATURE, which will be found on the colored wrapper pasted round each box of the **REAL PETER'S PILLS**—the counterfeiting of which is strictly forbidden.

Therefore, if purchasers will only pay attention to this, they will be safe from imposition, as Dr. Peters has offered, and again hereby offers

A THOUSAND DOLLARS REWARD! for the detection of any person who counterfeits his signature; a fact which has thus far, and may hereafter deter any impostor from attempting so hazardous a speculation.

THE FOLLOWING COMPLAINTS, are few of the many for the cure of which Dr. Peter's Pills are so widely celebrated, viz:

BILIOUS FEVER, FEVER AND AGUE, DROPSY, LIVER COMPLAINT, ENLARGEMENT OF THE SPLEEN, OF "FEVER CAKE" HEADACHE, HABITUAL CONSTIPATION, LONELINESS OF SPIRITS, LOSS OF APPETITE, INDIGESTION AND SOURNESS OF STOMACH, and in all the diseases peculiar to the most sensitive they will be found highly beneficial. Prepared by

JOSEPH PRIESTLY PETERS, M. D.
No. 123 Liberty Street, New York

These celebrated Pills are for sale by all the Principal Druggists in Columbia and throughout the United States.

Quacks and their destructive Nostrums.

THE united testimony of Physicians, throughout the United States, has fully proved the FACT that PETER'S VEGETABLE PILLS are the only true Vegetable Pills, which will stand the test of Analysis—hence the proprietor would most earnestly urge them to the notice of those who have been in the habit of using CATARTIC and Purgative PILLS, so generally advertised, and which are at best but slow consumers of the vital functions and MURDEROUS agents, even to the most hale. Its true, most of them produce a purgative effect, and sometimes transient relief, but in most cases they injure the digestive organs, and an habitual resort to them must terminate in confirmed dyspepsia.

IT IS TRUE, that Cathartic and Aperient Medicines are often required, but the nicest discrimination should always be observed in the selection, and if this be done nothing injurious can result from their use.

To produce this much desired result, Dr. Peters has made it his study for several years, and feels proud to say he has at length succeeded, far beyond his expectations. The object of his PILLS are to supersede the necessity of a frequent recourse to injurious purgatives, and to offer a medicine SAFE, CERTAIN, and PLEASANT in its operation.

JOHN BASCOMBE.

THIS renowned and ever memorable HORSE will accompany his old stand at the Hampton Courthouse, in the vicinity of Augusta, under my direction. Col. Crowell, his owner, after returning from his tour through the north, east and west, has come to the conclusion to allow him to remain with me another season. Applications were made in various sections of our country; unlimited business was guaranteed large sums offered by various gentlemen for the service of the horse; but Col. Crowell threw aside all minor considerations, all pecuniary motives, when on his return he found so many solicitations from various quarters of the south, to allow him to remain with me, that he at length yielded and consented to remain with me. In fact Bascombe has so many warm admirers, that they nearly view him as their common property. Bascombe has attained his end in one point, he has put to rest all those little petty slanders, relative to impotency, as he has proven himself as sure a foal-getter as any horse that stands on four feet. His first get was dropped this season; and all every persons call, in different parts of the south, is the crack and brag call; in fact, for game-like appearance, quickness of action, sprightliness and playfulness, unsurpassed.

He will commence his season on the 15th of February next—to terminate on the 15th of July. Good lots, fine stables, pastures, and provender, will be provided for the mares; no liability for escapes or accidents. Persons sending mares are particularly requested to send their pedigrees, also, notes payable to John Crowell or bearer, the expenses of the mares to be paid before taking them away. Mares remaining with the Horse, will be well taken care of at 50 cents per day—Servants with them, fed gratis.

It is useless to mention pedigree and performances; Bascombe's speak for themselves; the world know them; his name will be handed down from Turfite to Turfite; and when no more, the bosoms of future sportsmen will swell with emotion and delight, when they hear mentioned the name of Bascombe.

To the Public.

A number of persons have been misinformed touching the wholesale price of Peter's Vegetable Anti-Bilious Pills, when purchased at his principal office, 123 Liberty Street N. Y. he feels called upon to make a public statement of his arrangement in relation to this matter.

From this date the cash price will be Thirty-six Dollars per gross, payable in bills current in the city of New York; and no quantity under a gross, will on any pretence, be sold under retail price of Fifty Cents a box.

Merchants ordering these Pills from the proprietor, or New York Druggists, on TIME, will be charged Four Dollars per dozen.

The proprietor requests particular attention to this advertisement, as the immensely increasing demand for his Pills, makes it necessary that his business operations should be conducted without any of the loss of time which would result from a variety of prices.

The proprietor would have it further understood, that this arrangement is for New York dealers, as well as those who reside in other places.
