The contractor commenced boring the artesian well Tuesday and the work is now under full headway. The boring was started in the center of the large well now in use. Don't sell your cotton till P. L. Sturkey sees it. He is devoting his whole attention this season to buying—shipping direct to the Northern mills.

Friday at 12 o'clock we had two loud and distinct earth shocks. The earth appeared to sway from the west towards the east accompanied with a rumbling sound below. What next?

The following passenger rates are now in force on the Augusta and Columbia and the Savannah Valley Railroads: First class fare, 34 cents per mile; second class, 3 cents; children, 12 cents.

MOUNT CARMEL.

MOUNT CARMEL, Nov. 9.—Last Saturday we had a slow, drizzling, cold rain, and we tired, dirty, dirt-eating souls thought we were going to have a regular soaker, a dust-buster, but we are more than sorry to say that a sudden northwest wind came along and blew it all away.

The measles are still quite busy and apparently take hold when least expected. Miss Clara Covin is quite sick with measles. Mr. Ben Rees was out for a few days, but yesterday went to bed again—relapse from measles. Mr. John Wells has a bad case of measles. Mr. S. D. Wells has gone to bed and will do his level best to have a first-class case before he gets up.

Mr. J. L. Covin's children, I am told, are all down with measles, and it appears this dry dust flying everywhere makes matters worse than they might be otherwise. Mr. David Flow left this morning to attend the fair at Columbia.

Mr. P. B. Calhoun was in town last night having a good time with some of Mount Carmel's most charming young ladies. We enjoyed a delightful musicale at the home of Mr. W. T. McDonald last Monday. He and his amiable wife are both musicians, vocal and instrumental, and Mount Carmel bids them welcome, and trust their stay among us will be for good.

Capt. Riley, depot agent here, is complaining and we will not be surprised to hear of him being down with pneumonia at an early day, as his depot is without ceiling, chimney or any other comfort suitable for the lower order of animals. The Mount Carmel "Big Nine" Minstrel Club will give one of their grand Ethiopian performances in Troy next Tuesday night, the 16th inst., and in McCormick on Wednesday night, the 17th.

PARKSVILLE ITEMS. PARKSVILLE, Nov. 1.—Mr. T. M. Seigler's mule ran away with his wagon the other day, breaking it up, throwing him out and breaking two of his ribs. He is able to be up again. We have had rain and the farmers have begun to sow grain.

We had the pleasure last Friday and Sunday nights of listening to the Rev. Mr. McMillan. He is certainly a fine speaker. Mrs. W. L. Talbert was in town to-day visiting Mrs. Doolittle, her old neighbor. Miss Minter Moultry left for Augusta to-day.

It must be true, for he has been down for three days in succession—I mean the widower. Some of the young people as well as old ones went to the union meeting from this place. They say they had a fine time. The most pitiful sight that I have ever witnessed was a pretty young lady waiting in doubt the arrival of her lover. At one moment she was bright with hope and then sad with fear, but he came and the day seemed to pass off very pleasantly. When train time was nearing they began to look sad again, as when the first mail passed down they went with it, leaving his love behind. I hope he will come again soon.

Dr. J. C. Beall stopped over here last Saturday night. He was on his way to Augusta, from whence he hopes to return next Monday a young M. D. We wish him success. Miss Mary Lou Bronson is on a visit to her relatives near Edgelyfield village. Dr. Lee's horse ran away last Sunday evening, but did no damage. Miss Carrie Cartledge spent last Saturday and Sunday in town with Mr. L. W. Amaker who is up from Augusta last Sunday. He is well pleased with his new situation.

We have not been able to find out the party that stole the cotton from Stone's mill. Sleepless nights, made miserable by the terrible cough. Shiloh's Cure is the remedy for you. For sale by P. B. Calhoun; also at Mt. Carmel by Calhoun & Link. Col. B. F. Crayton, of Anderson, sold out the carload of Jersey cows he carried to the Macon fair.

It may be that luck goes up and down the world, calling on men and women, but the name has been spelled pluck on all her cards that have come under our eye. Croup, whooping cough and bronchitis immediately relieved by Shiloh's Cure. For sale by P. B. Calhoun; also at Mt. Carmel by Calhoun & Link. A drop or two of lemon juice and a dash of cayenne on an oyster may be tolerated, but is certainly not directly from the shell flavored with its own juice.

Woman's capacity for government is shown in the fact that nearly 5,000 women hold official positions in England. Shiloh's Vitalizer is what you need for constipation, loss of appetite, dizziness, and all symptoms of dyspepsia. Price 10 and 75 cents per bottle. For sale by P. B. Calhoun; also at Mt. Carmel by Calhoun & Link. Men talk a great deal about exercising their judgments, when it is their prejudices they exercise the most. If you would not have affliction visit us twice, listen at once to what it teaches. Shiloh's Cough and Consumption Cure is sold by us on a guarantee. It cures consumption. For sale by P. B. Calhoun; also at Mt. Carmel by Calhoun & Link. Blessed is the man that has no thermometer, for he shall never know how cold he is. The tinkle of the dinner bell is a pleasanter sound than the blare of the trumpet. For lame back, side or chest, use Shiloh's Porous Plaster. Price 25 cents. For sale by P. B. Calhoun; also at Mt. Carmel by Calhoun & Link. "The stoops to conquer" does not apply to a woman when she sees a mouse. Persecution is often the wind that scatters the good seed of the kingdom. Catarrh cured, health and sweet breath secured, by Shiloh's Catarrh Remedy. Price 50 cents. Nasal Injector free. For sale by P. B. Calhoun; also at Mt. Carmel by Calhoun & Link. A whole squirrel and a full sized owl are types of the new autumn bonnets. Peace at a dinner table assists digestion; angry words stir up bile. That hacking cough can be so quickly cured by Shiloh's Cure. We guarantee it. For sale by P. B. Calhoun; also at Mt. Carmel by Calhoun & Link. Thirteen is an unlucky number for a poor man to have in his family.

Will appear at Troy Tuesday Night, 10th instant, and at McCormick Wednesday Night, the 17th. The jolly "Big Nine" will give one of their side splitting entertainments in Troy next Tuesday night, Nov. 16, and will appear in McCormick Wednesday night, Nov. 17th. It is a first-class minstrel show and will afford several hours of fun and amusement. Be sure and turn out to the entertainment and enjoy the jokes, songs, dances, &c.

Holiness Meeting at Trenton. About ten days ago the two evangelists, Rev. Messrs. Tillman and Leitch, commenced their meeting at this place, and there is a large attendance both in the day and at night, but at night a great many cannot get seats. The tent will seat about twelve hundred people, and is made of thick, heavy canvas. In all my life I have never seen people so deeply in earnest as they are at this place. When invitations are extended for prayer hundreds crowd the altar, and they have reached some of the hardest cases in this country. Mr. Tillman, the evangelist, is at Trenton sick, but is now better; but Mr. Leitch has many workers who are laboring for the cause of holiness. Numbers have been sanctified and converted, and there is a general moving up of the Methodists and Baptists. I don't think they could have found a more pleasant place to have pitched their tent. I am stopping with Mrs. Merritt, formerly Mrs. Moore, of McCormick, and a more pleasant home could not be found than the one in which she resides. J. A. H. Trenton, Nov. 8.

You will have no use for spectacles if you use Dr. J. H. McLean's Strengthening Eye Salve. It removes the film and scum which accumulates on the eyeballs, subdues inflammation, cools and soothes the irritated nerves, strengthens weak and failing sight. 25 cents a box. For sale by all dealers. Where They Should Dwell. Cooks should settle in Greece. Fresh young men in Greenland. Prize fighters in Wangleland. Angry men should go to Ireland. Waiters should find comfort in China. The enterprising man should be a Russian. Scolding women should go among the Tartars. Wicked people should stop on the road to Rouen. Quakers would feel at home in the Friendly Islands. Hotel keepers should settle in the Feed-y islands. Profane men should travel to Mecklenburg-Schwerin. Hot-headed individuals should migrate to Iceland and Chili. Married folks should content themselves in the United States. Dressmakers might find it profitable to locate in the Basque provinces.

In cases of fever and ague the blood is as effectually, though not so dangerously poisoned by the effluvia of the atmosphere as it could be by the deadliest poison. Dr. J. H. McLean's Chills and Fever Cure will eradicate this poison from the system. 50 cents a bottle. For sale by all dealers. Will you suffer with dyspepsia and liver complaint? Shiloh's Vitalizer is guaranteed to cure you. For sale by P. B. Calhoun; also at Mt. Carmel by Calhoun & Link.
