Macon (Ga.) Correspondence N. Y. Times. The Cotton Crop of 1870 in Georgia-Great Scarcity of Labor.

I think that it is nearly certain that from Greenville. the area of the cotton crop of 1870 will not be larger than that of 1869, ceive as sole consideration the repair iner and Enquirer. of the fences and the care of the premises. Although I believe that

neres will be made to produce a crop for use. equal to if not greater than that of 1869. But it is idle to look for crops

tain that, except on the rich alluvial as of lying, cheating, or stealing." ulating manures would be a very unremunerative operation.

SOUTH CAROLINA NEWS.

Items, Incidents and Accidents.

On the 30th ultimo, Mr. F. Waldo and Mr. E Hazard, while driving near the solile, and otherwise being severe-

ly contessed.

Mr. Curtis was badly hurt in Mann. ing on Monday last by being thrown from his horse.

disease, which has carried off several volved. persons in Edgeffeld, has made its appearance to Columbia. On the 29th ultimo, Mrs. Hasel, an

On the 28th ultimo, Mrs. Hasel, an all and estimable lady on Waccamaw, while on his return from a visit to one of her heighbors, was instantly killed by the accidental discharge of a gun which had been placed in the baggy by the gentlemen who accompanied her. The accident was caused by the horses taking fright, and the rates becoming entangted in the trig.

A Columbia correspondent of the chartest on Courier, under date of the later of the gun.

sold last Monday by W. T. Shumate STATE AND COUNTY TAXES dy, for the sum of \$2525, and was purchased by a company of gontlemen

Southern Finances.—It has been Abbeville County, hereby gives and it is very probable that it will not be as large, first, from the inability of the planters to secure the requisite lator; and, second, because the protection of vision grow will occupy more land but we indeed that the protection of the protection of the planters and second, because the protection of the protection of the planters and second, because the protection of the planters and second, because the protection of the protection of the planters and second, because the protection of the protection of the planters and second, because the protection of the protection of the planters and second, because the protection of the planters and second, because the protection of the planters are plantered by the protection of the planters are plantered by the protection of the planters are plantered by the plantered b vision crop will occupy more land but we judge that they are no worse, this than it did last year. I do not this than it did last year. I do not think it any exaggeration when I the other Southern States. For in-paid by the 20th day of June, then vision crop will occupy more land but we judge that they are no worse, April, there will be a penalty of 20 compute the decrease in the available stance, the Comptroller of Florida the same will be collected by distraint Dress eighth of the force employed in 1869. penses of that State exceed "those of ation for the State is 5 mills upon the EXPRESS CLOTHS. laboring force for field work at one- says in his official report that the ex- and sale as directed by law. This is so on plantations which have any preceding year by nearly 300 per dollar, and that for the County is 21 been regularly worked since the war cent." The Raleigh Sentinel says mills, making 75 cts. upon the one
