The solution Bone Phosphate, 14 per ct. Total Bone Phosphate, 36 per ct.

This standard is uniformly exceeded in the manafacture, as shown by the analyses Gilhan, of Richmond, Dr. Hayes, of Boston, and other prominent chemists, during several years past, and published in the descriptive pamphlets.

The practical success of this Super phosphate.

The practical success of this Super phosphate, even during the most unfavorable seasons, has been as fully established by the experience of hundreds of Planters and farmers, recent letters from nearly two hundred of whom are to be found in the pam
