WOMEN AS OPERATORS OF STREET CARS URGED

New York, Oct. 10.—Women conductors and motormen may soon grace trolleys throughout the United States. The employment of the fair sex in these capacities was urged here at the annual convention of the American Electric Railway association. The advocates of the plan based their suggestion on the ground that it was the only way to increase the depleted labor supply.

After all the one thing that interests you most, is the amount of service, pleasure and satisfaction you get out of your Clothes. New Fall Suits for Men and Boys, prices, \$10.00, \$12.00, \$15.00, \$20.00. Boys Suits age 3 to 20 years, prices \$2.50 to \$10.00 are equal to any garment you have paid from \$2.50 to \$5.00 more for. You really do get better clothes for less money here. Don't take our word for it. Investigate—wear one of our Suits then you'll know. Styles, pattern and colorings were never more handsome. Values were never so good as now. It is a pleasure to show you the new fall line before you buy.

SHORT ITEMS OF INTEREST

The News in Condensed Form to Be Read Easily By the Busy Reader.

The havoc wrought by Germany's ruthless U-boat warfare is waning. This was officially confirmed when the bureau of war risk insurance of the treasury department reduced its rates on all American steamers and cargoes traversing the war zone from 6 1-2 to 5 per cent.

Albany is to have the first State Normal School for negroes. It is to be located at the Albany Bible and Manual Training Institute.

It's rare that a good looking woman can't get anything she wants, but Mrs. Mabel Marks, the attractive looking woman who was arrested with McQuellen, the fake army officer, last week in Atlanta, can't get bondsmen. Her bond was \$2,500.

Another increase to the loan to Great Britain of \$15,000,000.

Fashion notes say that the front-lace corset is gaining in favor and is a big asset in the wearing of smooth gowns.

The price of silk is to go up and the price of tobacco has already advanced.

The peaches movement in the North is heavier now than at any time this season. New York State shipped 2,663 cars last week.

The new five-cent loaf will be a great thing if it doesn't produce some disease. It will be made without lard, sugar and milk.

A farmer up in North Carolina killed a young woman and then killed himself. The woman had been living at his home keeping house for his family on account of his wife's bad health. She ran away and married a prosperous farmer. When she wouldn't go back to do the work the man shot her. He should have shot himself first.

The glorious hog killing days will soon be here! How many of us have the hogs to kill? That is the best way to conserve the scraps.

The World can get drunk without liquor says The State. It must be "enthuse."

In Spartanburg a raid was made by the civil and military authorities on the home of William Lands, a white man about 50 years old. It was alleged that he sold whiskey to the soldiers. Lieut. Mattison of Dorchester, N. Y., member of the military police of the Twenty-seventh Division U. S. A., was painfully hurt and Lands was perhaps mortally wounded. Mayor Shanton was on the scene shortly and made a careful search of the place and says that he found plenty of evidence of illicit whiskey trading. Spartanburg city is within the restricted area set out by the secretary of war in which no liquor selling or disorderly houses will be tolerated.

December 10th is the date set for the trial of Emma Goldman and Alexander Berkman and others in order to permit the early decision in ap-

peals, involving the constitutionality of the selective draft law. They were sentenced to serve two years imprisonment and pay a fine of \$10,000 for urging men of conscription age not to register.

Greece is preparing a large army for the war and is mobilizing her strength. Lack of equipment is being remedied with the aid of the allies. There is no pro-German party in Greece now. So confident of the efficiency of their government that the Greeks are willing to allow the present ministry to continue in the work of re-organization of the resources of the country so that she may throw her full strength into the war. "King Alexander is in perfect accord with his people and with the government and his good faith is unquestioned. Greece will now use every effort to aid the common cause."

China is suffering from floods. The loss of life is the greatest in the history of that country. All the Chinese officials have been called upon to contribute ten per cent of their earnings for relief work.

Mrs. Howard Gould, National Chairman of the Woman's Party, and a very able speaker, will make an address at the Cherokee County Fair.

Von Hindenberg's eyes are worse than Villa's according to one behind the German lines.

An Italian submarine failed to answer signals and was fired upon by an American patrol vessel. One officer and one enlisted man were killed. Secretary Daniels of the Navy Department, immediately cabled the Italian ministry of marine, expressing deepest regret over the unfortunate occurrence and loss of life. This happened in the war zone where several vessels had been fired upon.

To prevent cotton seed speculation the middle man between the grower and the retailer will be placed under license. A statement on cost and profits is required by law.

A brand new peace offer is a headline. That reminds us of the changes of the moon.

The Royal Institute of British Architects has decided to accept women as associates and fellows and the architectural association has now opened its doors to woman students.

Jas. A. Wade, a preacher of pop diversification, said plant sweet potatoes in the early summer and the farmers planted potatoes. They are gathering in a crop with an average of eight bushels to each person in Alabama. Quantities are being shipped.

Another revolt has been started against Carranza by a former commander of his.

Irish potatoes will be dried in fruit-drying establishments this winter for the soldiers.

Giants Beat White Sox; Score 2-0, is a headline. Still the war doesn't worry the baseball "fans."

BIRTHS.

Born: At Bennettsville, S. C., Oct. 5, 1917, to Mr. and Mrs. C. S. McColl, a daughter.

SERVICE LEAGUE.

At a called meeting of the commandants of the Service League on Tuesday afternoon at the home of Mrs. W. A. Harris, \$100 was voted for the Library Fund for the Soldiers camps. Prof. Riser is in charge for this county. Also \$100 was voted for the Community House Fund, which Miss Jane Evans asked for at a recent meeting.

MRS. BONNER ILL.

The Presbyterian regrets to note the serious illness of Mrs. Lila Morse Bonner. She was suddenly attacked last week with pneumonia. She is at the home of Mrs. R. C. Brownlee and has had a trained nurse from the beginning. Mrs. Bonner is very ill.—A. R. Presbyterian.

The friends of Mrs. Bonner will be grieved to learn of her illness. She is well known in our city as well as in the State, having been a teacher of music at the Due West Female College for quite a number of years. We trust she will soon be in her usual health.
