Level Land, S. C.
Dear Santa Claus,
Way up here in the north part of Abbeville, county, it is so cold in the palace of Christmas dreams. We know you are very busy in your work shop and store house that would delight the eyes of every boy and girl. It contains diamond rings, chockers, ear rings, hair pins and more pretty things. Dear Santa, as you love all good children and your only thought is to make them happy every Christmas Eve.
When we are fast asleep you pay us a welcome visit, as you come with your sleigh and prancing reindeer and carrying a big bundle on your back. Suddenly you will stop on the roof top, slowly and quietly you climb down the chimney and still not a sound will you hear. So when you tip-toe from stocking to stocking I am sure you have learned our names long ago. With a shy peep at the sleeping figures so snugly nestled in bed.

I, Nolie, the smallest of the two, wants you to bring me a Bub harp corsage of wild roses, a Allen car and Santa another thing if you promise to keep a secret I will tell you. When I am happy in dream land a charming fairy flits into our room all unseen. She comes sailing down from the palace of ice and snow mounted on a sunbeam. Once, twice, three times she waves her

magic wand and there will appear real Bub under the steering wheel of the Allen. Then we will go away to the land where hearts beat true.

Nelle is always smiling and shares her play things and candies with others. Santa make a check against her name. Bring her several good books written by St. Elmore, a harp good will, a Victrola

record, Don't want roses, but proposals, and a Wilson cook book. When Christmas comes we will all be happy.

Wishing you a merry Xmas.
Nelle Temple.
Nolie Crawford.
