$500,000 IN BANK.
GRAND GIFT CONCERT.

Postponed to December 7, 1872.

THE SECOND GRAND GIFT CONCERT in aid of the PUBLIC LIBRARY OF KENTUCKY, announced for September 28, has been postponed to **December 7, 1872**, because the accumulation of orders the few days before the drawing made it physically impossible to fill them without a few days' delay, and as a short postponement was inevitable, it was determined to defer it to a time that would make a full drawing sure by the sale of all the tickets.

The money necessary to pay in full all the offered gifts is now upon deposit in the Farmers' and Drovers' Bank, as will be seen by the following certificate of the Cashier:

FARMERS' AND DROVERS' BANK,
LOUISVILLE, KY., Sept. 25, 1872.

This is to certify that there is now on deposit in this bank over half a million of dollars to the credit of the Gift Concert fund, $750,000 of which is held by this bank as Treasurer of the Public Library of Kentucky to pay of all gifts to be awarded at the drawing.

R. S. VEACH, Cashier.

1,000 Prizes, amounting to
$500,000 IN CASH,

will be awarded, the highest prizes being $100,000, $50,000, $25,000 and down in regular gradation to $100, which is the lowest.

The drawing will positively and unequivocally take place December 7. Agents are peremptorily required to close sales and make returns November 25, in order to give ample time for the final arrangements. Orders for tickets or applications for circulars should be addressed to

Gov. THOS. E. BRAMLETTE,

SEA ISLAND HOTEL.

(Formerly the Saxton House.)

BEAUFORT, S. C.

This House, so favorably known to the travelling public, and more especially appreciated by invalids and others seeking a genial Southern clime, to escape the rigors of Northern seasons, will be reopened on October first, 1872

The house has been enlarged to more than double its former capacity, and has been fitted up with every convenience calculated to minister to the comfort and pleasure of its guests, and the proprietors will earnestly endeavor to secure to all who may become their patrons the comforts and privileges that are rarely found elsewhere than *at home*. Situated on the coast and thus enjoying the advantage of sea air, Beaufort is so far South as also to render its climate mild and agreeable. The table will continually be furnished with the best products of the Northern and Southern markets. Good livery accommodations, a finely equipped Billiard Hall, Bowling Alley, and a Telegraph office are among the other desirable acquisitions of the house.

Beaufort is in daily communication with both Charleston and Savannah by railroad and steamboat, both lines of which are readily accessible in from five to fifteen minutes, from the hotel.
