GRAND GIFT CONCERT.
Postponed to December 7, 1872.

**THE SECOND GRAND GIFT CON-
CERT** in aid of the PUBLIC LIBRARY OF KEN-
TUCKY, announced for September 28, has been postponed to **December 7, 1872**, because the occur-
rence of orders the few days before the drawing
made it physically impossible to fill them without a
few days delay, and as a short postponement was
inevitable, it was determined to defer it to a time
that would make a full drawing sure by the sale of
all the tickets.
The money necessary to pay in full all the offered
gifts is now upon deposit in the Farmers' and
Drovers' Bank, as will be seen by the following cer-
tificate of the Cashier:
FARMERS AND DROVERS' BANK,
LOUISVILLE, KY., Nov. 28, 1872.
This is to certify that there is now on deposit in
this bank over half a million of dollars to the credit
of the Public Library of Kentucky, which is held by
this bank as Treasurer of the Public Library of
Kentucky to pay of all gifts to be awarded at the
drawing.
R. S. VEACH, Cashier.

**1,000 Prizes, amounting to
\$500,000 IN CASH.**
will be awarded, the highest prizes being \$100,000,
\$50,000, \$25,000, and down in regular gradation
to the lowest.
The drawing will positively and unequivocally
take place December 7. Agents are particularly re-
quired to close sales and make returns November 25,
in order to give ample time for the final arrange-
ments. Orders for tickets or applications for circulars
should be addressed to

SEA ISLAND HOTEL.
(Formerly the Saxton House.)
BEAUFORT, S. C.
This House, so favorably known to the travelling public, and more especi-
ally appreciated by invalids and others seeking a genial Southern climate, to
escape the rigors of Northern seasons, will be reopened on October first, 1872
The house has been enlarged to more than double its former capacity, and
has been fitted up with every convenience calculated to minister to the com-
fort and pleasure of its guests, and the proprietors will earnestly endeavor
to secure to all who may become their patrons the comforts and privileges
that are rarely found elsewhere than at home. Situated on the coast and
thus enjoying the advantage of sea air, Beaufort is so far South as also to ren-
der its climate mild and agreeable. The table will continually be furnished
with the best products of the Northern and Southern markets. Good livery
accommodations, a finely equipped Billiard Hall, Bowling Alley, and a
Telegraph office are among the other desirable acquisitions of the house.
Beaufort is in daily communication with both Charleston and Savannah
by railroad and steamboat, both lines of which are readily accessible in from
five to fifteen minutes, from the hotel.

Method: How Lost, How Restored.
Just published, a new edition of
Dr. Culverwell's cele-
brated Essay on the radical
cure (without medicine) of
SYPHILITIC or Venereal Weakness, Involuntary
Emission, Leucorrhoea, Mental and Physical
Debility, Impotency to Marriage, etc. Also
CONSTITUTIONAL DEBILITY and FITS, induced by self
indulgence or sexual excess, and cured by self
inhalation of a special medicine, only 6 cents.
2c. Price in a sealed envelope, only 6 cents.
The celebrated author, in this admirable essay,
clearly demonstrates from a thirty years' successful
practice, that the alarming consequences of self-
abuse may be radically cured without the dangerous
use of internal medicine or the application of the
knife; pointing out a mode of cure at once simple,
certain, and effectual, by means of which every suf-
ferer, no matter what his condition may be, may
cure himself cheaply, privately, and radically.
This Lecture should be in the hands of every
youth and every man in the land.
2c. under seal, in plain envelope, to any ad-
dress, postpaid on receipt of six cents, or two post-
paid stamps.
