the multiplicity of Federal and State taxes and the increased cost of all intoxicants one thousand saloons and retail liquor stores in greater New York have closed their doors, according to estimates made to-day by excise officials. Yesterday when the license fee of \$1,500, which must be paid in advance, became due hundreds of places failed to open their doors.

In smaller cities the operation of the new State law providing that after September 30th there could only be one saloon to every 500 inhabitants in political sub-divisions having less than 55,000 population will result in closing some 1,500 saloons in the State this month, according to William McClellanahan, president of the Retail Liquor Dealers' Association. If the present situation continues Mr. McClellanahan said, 3,000 saloons in the State will have to close their doors in the next six months.

### "IT'S SUPERIOR TO ANY LIVER MEDICINE SOLD"

In Common Gratitude Col. W. A. Terrell Expresses His Approval of Martin's Liver Medicine—No One Will Again Take Calomel After Once Trying It.

The following unsolicited letter was recently received by the manufacturers of Martin's Liver Medicine:

In the absence of any other reason, common gratitude calls for an expression from me of the wonderful merits of your health-giving Liver Medicine. With a large experience in trying and using various Liver Medicine, I have never found any remedy that so completely "hits the spot" and tones up the dilapidated feeling and makes a fellow feel that life is worth living. Martin's Liver Medicine relieves gently but effectively constipation, starts the liver on its active function, creates a healthy and normal appetite, and at night sleep is sweet and restful. I have used three bottles of this splendid remedy and am prepared to say it does all and more than you claim for it.

W. A. TERRELL, Decatur, Ga.

Every bottle guaranteed to please or your money back on return of empty bottle to your druggist. 50c per bottle.
