# INVIGORATOR!

PREPARED BY DR. SANFORD.

AS ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. more effectual than any other medicine known.
It is not a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter then on the stomach and howers to carry off then on the stomach and howers to carry off them. then on the stomach and boweis to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time the it purges it; and when taken daily in moderate doses, will strengthen and build it up with usual rapidly.

2. Its design and purpose is to present to its readers the choicest treasures of thought, and the ablest productions of European writers, as they appear in the Re-

Below are given a few of the very nu-merous testimonials lately received in favor

of the Eclectic COMMENDATIONS OF THE ECLECTIC.

From Rev. Dr. Claxton. "An acquaintance with the principal contents of the leading Foreign Magazines is confessedly indispensible to every one who would keep pace with the progress of thought and of knowledge in our day.— They are, however, so many and so costly, that few can obtain or even read the whole of them. "As a valuable substitute for the worthess reading matter which is so abandant in hese days, and which is doing so much injury, both to the 'tastes and morals, especially of the young, we take pleasure in recommending the Eclectic Magazine, as a treasure not only for the literary and professional man, but also for any intelligent person. It gives the best articles from the Foreign Reviews, to which the ablest men of Eurape are in the habit of giving their most elaborate productions. It will interest all whose minds have not been enervated by the literary trash which unfortanates ries will be found as cheap as any of the competing publications to which we have all in telligence and elevate the fact of all who habitually peruse it. The permanent value of its articles are in striking contrast with the floating, ephemeral literature of the day." RUFUS ROOD,

PROSPECTUS OF THE South Carolina Son of Temperance. It is proposed to publish a new Weekly Paper at Bennettsville, Marlhoro District, S. C., as early this fall as arrangements can

be made to issue it.
The main leading object of the paper will be to advance the cause of Temperance, and especially to build up the Order of the Sons of Temperance, believing this to be the organization at present that embraces the entire State in the scope of its operatidns, and far more systematic, efficient and powerful than any human ins-rumentality that has yet been devised for the accomplishment of what all similar associations propose-the reformation of drunkards the suppression of intemperance and the systematic training of the rising generation

in hi bits of strict sobriety

To indicate unmi-takeably the purpose of this paper, it will be called "THE SOUTH

CAROLINA SON OF TEMPERANCE."

The offices of the M. W. P. of the Sons Temperance of North America, and the Grand Scribe of the Grand Division of South Carolina, focated at present where this paper is to be issued, besides being in a community of strong, leading, intelligent, active, well-informed Sons of Temperance, extraordinary facilities will be enjoyed for ren dering the paper all that the Order could desire. Its main leading purpose will be to deserve and secure the general support of the Order in South Carolina; but it will embrace news of interest to the Order genérally, and to all Temperance organizations. Subscription are therefore solicited from Sons of Temperance in other jurisdictions

well.

The paper will be of medium size, well printed—indeed, the entire office management will have the benefit of experienced Printers and new and superior materials. H. JUDGE MOORE and JAMES T. POWELI

Proprietors, under the firm of MOORE & The Wholesale Prices Current will also POWELL. The paper will be published by James T. Powell and edited by H. Judge Moore, assisted by Maj. B. D. Townsend, M. W. P., of the National Division of the Sons of Temperance of North America.

Sufficient encouragement having been already extended to the enterprise to render it certain that the paper will be issued early and, as the Proprietors intend to adhere STRICTLY TO THE CASH SYSTEM, advance payments must be made in ALL CASES, or the paper will not be sent.
