**Death of an Excellent Young Man**

It is with deep sorrow that we chronicle the death of Mr. Frank D. Green, a most excellent young man of the Douglas section. His death occurred at his home five miles southwest of town about noon on Thursday, Oct. 20th, 1904, after an illness of three weeks of typhoid fever. Mr. Green was about 38 years of age, a son of the late F. D. Green, and a brother of our townsmen, J. T. Green, Esq., and T. C. Green. Another brother, Mr. M. J. Green, and his mother, and two sisters, Mrs. H. E. White and Miss Janie Green also survive him.

Mr. Green's death is a great loss to his community. He was an exemplary young man, of irreproachable character, honest, upright, sober, industrious, progressive—a man, quiet in demeanor, who attended strictly to his own affairs, and had the confidence and esteem of everybody who knew him. The death of such young men is not only a loss to their community but to the county and state. He was a consistent member of Douglas Presbyterian church. After funeral services, conducted by Rev. J. T. Dendy, his remains were interred at Camp Creek church yesterday afternoon, in the presence of a large concourse of sorrowing friends. A number of his friends from town were in attendance.

**REPORT OF THE GRAND JURY.**

To his Honor R. C. Watts, Presiding Judge:

We, the Grand Jury of said County, beg to submit the following report:

We have examined and passed on all bills of indictment handed us by the Solicitor.

We present Will Hudson and Preston Horton for shooting on the public highway and carrying concealed weapons. Witnesses to prove same: Jud Hinson, Simon Carnes, Fred Cook, Bob White and George Southers.

We present T. S. Small, Jr., and Roxie Garris for living in adultery. Witnesses to prove same: Doster Sims, Mrs. T. J. Small and D. J. Hinson.

We present James Barrett for cursing and using obscene language on the Sabbath day in Taxahaw S. C., to wit: on Oct. 2, 1904. Witnesses to prove same: S. D. Belk, E. R. Jenkins and Ed Belk.

We have, through our committees, examined the condition of the County Jail, Poor House and Court House and find same well kept and in good condition. We have also examined the various county offices and find them in good condition and the officers' bonds sufficient.

We have examined the books of the two County Dispensaries and find same correctly kept.

Our attention has been called to and we have examined the railroad bridge over Bear creek on the Southern Railway about two miles south of the town of Lancaster and consider its condition a menace to the lives of the traveling public and recommend that said railway be required to stop all trains from carrying passengers across said bridge until same is repaired and made safe, as the danger of a wreck at this point is extremely imminent.

We deplore the recent lynching which occurred at Kershaw on the 1st instant, but as we have not been able to secure any evidence tending to show who were engaged in such lynching we are powerless to do anything in the matter.

All of which is respectfully submitted,

E. B. LINGLE,  
 FOREMAN.
