Many Fires in New York.—
Death Confined to Three.

New York, Nov. 10.—Three persons lost their lives, twenty were injured, nearly half a hundred were overcome by smoke and an equal number were temporarily homeless as a result of a series of fires in various parts of the Greater City today. In nearly every case the fires were in tenement houses occupied by a large number of families, and at least two of them are thought to have been started by incendiaries.

Over 600 Russians Blown Up.

Chefoo, Nov. 10, noon.—Etse Mountain, according to Chinese, 120 of whom arrived here today from Port Arthur, is proving a costly obstacle to the Japanese. On the morning of Nov. 5 and 6, fierce assaults on the position were made by the Japanese, who were repulsed. During the second assault a shell, soaring over the other hills from Pallehuang, dropped on the Etse Mountain and demolished a land mine and the mine-controlling station, and exploded other mines. The Russians were holding the trenches on the boundary of the mined section between 600 and 700 hundred were killed or wounded. The Japanese reaching the place were unhurt.

DOESN'T RESPECT OLD AGE.

It's shameful when youth fail to show proper respect for old age, but just the contrary is the case of Dr. Kings New Life Pills. They cut off maladies no matter severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect pill. 25c, at Crawford Bros., J. F. Mackey & Co. and Funderburk Pharmacy, Drug Store.

Picture Drummer. Fraud—Governor Receives a Complaint About One in Spartaburg.

Governor Heyward has received from the upper part of the State a complaint about a fraudulent picture drummer who has recently solicited many photographs from parties for enlarging purposes and failed to return them. He also obtained an advance payment on the proposed enlarged pictures. When last heard of he had gone over the North Carolina line and the governor was asked to offer a reward for him. As there is no warrant out and the man is not a fugitive from justice this cannot be done under the law.

A Policeman's Testimony.

J. N. Patterson, night policeman of Nashua, Ia., writes: "Last winter I had a cold on my lungs and tried at least half a dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended Foley's Honey and Tar and two thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world." Sold by Funderburk Pharmacy.

A strange condition of affairs has been found to exist in Colleton County. A few months ago R. A. Adams, white, who had been convicted of murder broke jail. He was never re-arrested, and now comes the news that he has all the time been living quietly on his farm some miles distance from Walterboro. The sheriff of the county seems to have no concern whatever as to whether he arrests the fugitive.

Happenings in The State.

As Chronicled by the Alert Correspondents of The Columbia State.

NEGRO GIVEN FIFTY LASHES.

Donalds, Nov. 9.—Yesterday Neal Robinson, a most repulsive looking and desperate negro, insulted a young lady, the daughter of Mr. E. M. Richey, a respectable farmer near Donalds. The lady got a shotgun and the negro left. She went to a neighbor's house and gave the alarm. A posse of citizens took the negro's trail and soon captured him. They carried him to Richey's house and a jury of the older men present decided that as Robinson failed in his purpose that 50 lashes on the bare back with a trace would be light punishment. This was done and the negro released with a promise to leave the State for good.

VAN ROGERS ESCAPES FROM MARION JAIL.

Marion, Nov. 10.—Van Rogers the young white man confined in jail here for the shooting of a Mr. Huggins at Fork several weeks ago, escaped from jail here a few nights since. The prisoner went with the jailer to the woodyard to get wood, and as they were returning to the jail some one called the jailer to the gate at the front. While he was talking to the man Rogers slipped away to the back fence and by means of a board succeeded in getting over. He has not been recaptured so far.

BARN AND CONTENTS BURNED.

Winnboro, Nov. 10.—W. R. Rabb, who is a merchant in Winnsboro and who lives two miles from town, lost his barn and contents this morning at 5 o'clock. Loss \$400, insurance \$100.

CHARLESTON CONSTABLES KILLED HORSE TO CAPTURE LIQUOR.

Charleston, Nov. 10.—Several dispensary constables seized 20 gallons of whiskey and five gallons of gin this morning from a wagon belonging to the Sotile Bros., but not until the horse had been shot, which the driver had attempted to drive over the men. The constable claim that they were forced to use their pistols and the killing of the blind tigers will be the only way of effectively stopping the transportation of liquor through the streets. No criminal proceedings were instituted.

Young White Man Sentenced to death.

Walhalla, Nov.—Judge McCulough today at noon sentenced Earl Rochester to be hanged January 6th next. A motion for a new trial was overruled.

The scene in the Court room was a most solemn one, when a young man of fine family received his death sentence for murdering his neighbor, whose family is equally as prominent.
