

The Cold Wave Covers Many Southern States.

Louisville, Ky., Feb. 2.—The general cold wave probably reaches its southernmost boundary today and spreads a blanket of sleet and snow over the central south.

FIENDISH SUFFERING

is often caused by sores, ulcers and cancers that eat away your skin. Wm. Badell, of Flat Rock, Mich., says: "I have used Bucklen's Arnica Salve, for Ulcers, Sores and Cancers. It is the best healing dressing I ever found."

A Negro Educator Killed Near Savannah.

Savannah, Ga., Feb. 2.—Prof T L Cotton this afternoon put Sammie Bowen out of the recitation room at the Georgia State college for colored youths, near this city.

Students pursued Bowen with shouts of "lynch him!" The motorman and conductor of a trolley car protected the boy and the car took him to Thunderbolt, where he was arrested.

The Battle Of Thursday.

Tokio, February 4.—(1 P. M.)—Manchurian headquarters, telegraphing under date February 3, says:

"On Thursday, February 2, the enemy's artillery bombarded from several points our right wing. Otherwise the situation is unchanged. In the direction of our left the enemy has been attacking the neighborhood of Lintiaokou since the morning of February 2.

The Russian dead already interred after the battle of Heikoutai, in the neighborhood of Sumpao, alone number 900."

Hundreds Dead in Warsaw Riots.

Warsaw, Feb. 3.—Serious disorders broke out today at Lodz, where 25,000 men are striking. Some of the employes of a lace factory attempted to return to work and the remainder forcibly prevented them.

The official list of the killed during the disturbance here contains over three hundred names in addition to many, unidentified bodies lying at the receiving vault; the unidentified dead will be buried tonight.

In a conflict between troops and strikers at Kounizer factory at Lodz the soldiers fired, killing six persons and wounding forty-eight. Shooting also occurred at the Keller lace factory.

PECULIAR DISAPPEARANCE.

J. D. Runyan, of Butlerville, O., laid the peculiar disappearance of his painful symptoms, of indigestion and biliousness, to Dr. King's New Life Pills. He says: "They are a perfect remedy, for dizziness, sour stomach, headache, constipation, etc."

When South Carolina gets fifty millions of dollars for a cotton crop they are exceedingly fat and joyous and bend the knee and salaam before King Cotton. But the people of more than one State out in the west, where they are frozen up tight for more than four months in the year, make more than fifty million a year out of such inconsequential things as eggs, chickens and turkeys.

Winter coughs are apt to result in consumption if neglected. They can be soon broken up by using Foley's Honey and Tar. Sold by Funderburk Pharmacy.

CASTORIA The Kind You Have Always Bought Bears the Signature of Chat H. Fletcher

Atlanta, Ga., Feb. 4.—Atlanta's streets tonight are covered with a sheet of solid ice two inches thick. Since late in the afternoon a drizzling rain has been falling and freezing as fast as it hit the earth, which on top of yesterday's sleet has made the streets as slick as glass.

Murray's Horehound, Mullen and Tar will cure your cough large bottle for 25c.

Mothers can safely give Foley's Honey and Tar to their children for coughs and colds, for it contains no opiates or other poisons. Sold by Funderburk Pharmacy.

A Peculiar Wreck on New York Central.

Engine Boiler Exploded Derailing Thirteen Passenger Cars.—Two Trainmen Were Killed.

Utica, N. Y., Feb. 4.—Two trainmen lost their lives and a score or more of passengers were injured in a wreck on the New York Central railroad at Whitesboro, three miles west of here, at an early hour to day. None of the injured were dangerously hurt their wounds being mainly cuts and bruises.

The dead are John Allen, engineer, and John Brennan, fireman of the locomotive on the western express. As this train was passing the Buffalo special, eastbound, the boiler of the locomotive of the westbound exploded. The force of the explosion and the upheaval of the engine threw the entire train of 13 cars composing the "special" from the rails as if it had been a string of toy coaches.

A Night Alarm

Worse than an alarm of fire at night is the brassy cough of croup, which sounds like the children's death knell and it means death unless something is done quickly. Foley's Honey and Tar never fails to give instant relief and quickly cures the worst forms of croup.

Charleston Firebug Started Flames Just for Excitement

Charleston, Feb. 3.—Raymond Bowman, the sixteen year old boy arrested yesterday charged with burning several hay and grain warehouses, appeared before Magistrate Rouse today and was sent to jail without bail on four separate warrants. He admitted setting the fires and claims that he did it for excitement, but the evidence that he started the fires with the intention of robbery is very strong.

Make your druggist give you Murray's Horehound, Mullen and Tar. Cures your cough. 25c a bottle.

PUBLIC AROUSED

The public is aroused to a knowledge of the curative merits of that great medical tonic, Electric Bitters, for sick stomach, liver and kidney. Mary H. Walters, of 547 St. Clair Ave., Columbus, O., writes "For several months, I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, from useless doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured."
