### An Old House with a History

The Lancaster correspondent of the News and Courier has the following to say about the Boyd house, which is now being moved to Catawba Street:

"The oldest citizens do not recall when it was built. Col John N. Crockett, who is 72 years old, says when he first knew the house it was occupied by a man named R. O. P. Stewart who died more than fifty years ago. Robert Bailey, who established the Lancaster Ledger in 1852, and died a year or two later, at one time lived in the Boyd house, he and his wife both dying there. It got its present name from the late Joseph Boyd, who owned and occupied the building as a residence for many years, before, during and after the civil war, rearing in it a large family of children, the oldest of whom is Mrs. Hull, wife of Editor J. J. Hull, of Rock Hill. Ex-Congressman Strait owned the house for some years, selling it a few years ago to Col Springs.

Mrs. O. F. Connor, of Holly Hill, who is a daughter of the late Robert Bailey, was born in the building during her father's ownership of the property. And she is now on a visit to Lancaster, for the first time in many years, happening to arrive here yesterday in time to see her old home removed from its original site.

### Pleasant Valley News.

Prof. H. Hoke, who was recently elected principal of the Pleasant Valley high school, was happily married on last Thursday, the 22 inst., to Miss Mary Millholland of Leslie, S. C. Their many friends extend congratulations and wish them every happiness as they go through life as one.

The behavior of the Waxhaw baseball team as they passed through Pleasant Valley last week, leads to conclude that they had an overdose of "Popskull" or "Rifle shot" whiskey, for surely "Old Joe," "Cream of Kentucky" or Silver Spring corn could not have had such a deleterious effect upon them as to be guilty of such discreditable conduct.

At the meeting of the Pleasant Valley high school on last Saturday afternoon; Messrs. D. K. Hall, J. M. Harris and D. O. Potts were elected to serve as trustees for the next two years. Mr. Hall is chairman of the board.

Mr. Joe Bickett received some very painful injuries on last Tuesday, by his horse becoming frightened and throwing him from his buggy.

Miss Bleeker Faris will leave in a few days for an extended visit to relatives and friends at Hickory, N. C.

Mrs. S. R. Torrence, of Steel Creek, has been quite sick at the home of her mother, Mrs. Margaret Harris of this place.

Misses Loma Harris and Martha Bailes are visiting friends in Gold Hill this week.

Mr. and Mrs. Frank Merritt, of Rock Hill, visited Mr. and Mrs. S. L. Patterson this week.—Fort Mill Times.

—The Gregory-Hood Co. lost one of their fine sorrel horses Thursday.

### Paying Out Interest.

Large Amount Sent Out by State—Checks Being Written For Interest On South Carolina Stocks and Bonds.

Columbia Record.

The state of South Carolina is now engaged in drawing up checks to be sent out Saturday to the holders of the bonds and stocks issued by the state. The majority of the bonds and stocks are held in Charleston, Columbia and Baltimore; and the interest paid out amounts to something like \$286,000 yearly. The checks drawn this time for the semi-annual payments will come very near \$145,000. There are a number of these bonds and checks and the calculation of the interest on each is work that requires many hours in the state treasurer's office.

The largest amount is something like \$5,598,139.19. These are known as the Browns and bear four and a half per cent.

The Blues amount to about \$400,000 and bear the same interest. The Clemson bequest stock bears six per cent., and the total amount held by the state is something like \$58,539.39.

There is also what is known as the land script stock, the proceeds of which are divided between the colored agricultural college and Clemson college. The sum of \$95,900 is credited to each college and the interest the state pays out is figured on a basis of six per cent.

It was necessary for the state to borrow the money for this interest and the arrangements for the loan were completed the other day. This is the second loan made by the state this year.

## WHY Every Man and Woman Should Insure in

The New York Life.

Because it is the strongest company in the world.  
Because its policies protect one million families.  
Because it has over 390 million assets.

Because it has over 380 millions Reserve Fund.  
Because it paid in dividends in 1904 over \$5,900,000.  
Because it is purely mutual. It has no capital stock

Because its assets belong to the policy holders.  
Because it does not invest in stocks and industrial securities.  
Because its policies contain only one condition "payment of premium"

Because the insured leaves to his widow or estate a legacy and not a law suit.

Because its policies are incontestable and nonforfeitable.

Because it paid in 1904 \$40,000,000 to its policy holders.  
Because it is the best estate you can leave to your family.  
Because it gives you the best protection and investment combined for the money.

Because you can't afford to carry anything else when you can get the best.
