Suit Against Lancaster County for \$50,000 Damages.

W. T. Castles, of Chester, administrator of J. T. Morrison, who was lynched at Kershaw, has brought suit against Lancaster county for \$50,000 damages. The plaintiff's attorneys are W. H. Newbold, of Chester, and J. C. Wilborn, of York.

The summons and complaint in the action were served on Supervisor Gardner Saturday, who turned them over to the county attorney, W. C. Hough. The administrator brings the suit on behalf of Morrison's estate and for the benefit of his widow and three minor children, who, the complaint alleges, were left in destitute circumstances. The complaint charges in substance that Morrison was "wilfully and unlawfully" lynched in the town of Kershaw, the night of October 1, last year, by a "mob of unlawful assemblage of persons," and by "reason thereof a cause of action has accrued against the said Lancaster County."

WHY Every Man and Woman Should Insure in The New York Life.

Because it is the strongest company in the world. Because its policies protect one million families. Because it has over 390 million assets. Because it has over 380 millions Reserve Fund. Because it paid in dividends in 1904 over \$5,900,000. Because it is purely mutual. It has no capital stock. Because its assets belong to the policy holders. Because it does not invest in stocks and industrial securities. Because its policies contain only one condition "payment of premium."

Because the insured leaves to his widow or estate a legacy and not a law suit.

Because its policies are incontestable and nonforfeitable. Because it paid in 1904 \$40,000,000 to its policy holders. Because it is the best estate you can leave to your family. Because it gives you the best protection and investment combined for the money.

Because you can't afford to carry anything else when you can get the best.

Call on J. E. BLACKMON of Lancaster and give him your application.
