Barff and Stable Burned.

The barn and stables of Mrs. W. H. Green, about 10 miles southwest of town, were consumed by fire last Wednesday afternoon together with a quantity of fodder and other roughness, and about twenty bushels of corn. Cotton Growers Meet

The cottongrowers of the county held an enthusiastic meeting here Thursday. They buckled right down to business. They discussed and laid plans for the erection of four, ware-houses in the county, one at each of the following places: Lancaster, Kershaw, Heath Springs and Van Wyck and will meet here again on the 14th inst., to perfect arrangements for building them.

Mr. Geo. W. Jones was elected the delegate to the Asheville meeting on the 6th and it was the consensus of opinion that the farmers should hold their cotton this year for 12 cents. From reports on condition of the crop from every part of the county it was estimated that the yield of cotton in this county would be about 65 per cent of the yield of the past year. The meeting was well attended by our most representative farmers and there was an air of down right business in all the proceedings.

Notice.

All parties who sell cotton at Heath Springs, S. C. are earnestly requested to meet there Saturday, Sept. 2, 1905 at 3 o'clock p. m. the purpose of securing a place to have our cotton weighed. Let all interested be present. Respectfully, H. H. Horton, Chairman of Committee.
